CHRISTMAS WISHES to our HEROES OVERSEAS INC.

★★★★★
Non-Profit Organization in Service to our Troops

A Non-profit Organization in service to our Troops since 2013 - 100% Goes to Our Heroes! WE SUPPORT OUR TROOPS!

WHO WE ARE

- ★ We fundraise and send Christmas care packages to Our soldiers overseas for the holidays, and to a lesser extent needed requested items year around!
- ★ We can't forget our Heroes and need your support!
- ★ We learned over the years that we can help more than double the number of soldiers with a better volume of products if we send orders via direct online with free shipping to the APO Addresses because of the higher shipping costs at the USPS for international shipping.
- ★ If you have a loved one serving overseas, e-mail us their information so we can get Care Packages to them first. **We will serve Local Heroes first!**
- ★ Due to the delay in international shipping, we will have our open Event this Year as early as Nov. 19th and 20th from 2pm until 6pm

A photograph of a snowy winter scene. A bright sun is low in the sky, creating a strong reflection on the calm water in the foreground. The background features a line of snow-covered evergreen trees and a dark bridge or walkway extending across the water. The overall atmosphere is quiet and serene.

I hope that you have safe travels on your way to your favorite fishing spot. There are a lot of great places to go in the region!

CREATURE FEATURE EMUS

Since the 1980s, these large Australian birds have been rising in popularity in the U.S. as an alternative to chickens for home sourced eggs and lean meat. More recently, people have also begun keeping them as companions rather than as livestock. When raised correctly, Emus are curious, docile and affectionate pets. They are hardy, adapt well to most climates, and their flightless nature makes them relatively easy to keep contained.
