Frank Clovis

June 29, 1953 - November 10, 2022

It is with the heaviest of hearts that we share the unexpected passing of Frank Clovis, 69, Coeur d'Alene, Idaho. To all who knew him well, Frank brought a brightness of spirit fueled by seeing those around him thrive. He was our PopCola, our Guido Vespucci, our Grand Poobah, the Godfather of all CPAs, and he is missed.

Frank was born June 29, 1953, in Longview, Washington, to parents Julie and Franklin; he was the second of four children. Frank was preceded in death by his parents and sister Terre. He is survived by his wife, Linda; son, Frank Jr. (Sandy) Clovis; and daughter, Tracy Sanders of Coeur d'Alene. Denny (Stephanie) Clovis, Dallas, and Brian (Christina) Gross, Tucson His nine grandchildren are: Brittany (Jay) Gonzalez, Landra, Quinn, and Kaylee Clovis; Mattison (Dyllan) Barnes; Riley (Hope) Sanders; Kallin Sanders; Camryn and Evan Gross. two great-grandchildren: Onyx and Wrenlee Barnes. Sister-in-law: Donna Caskey; brothers: Tom and Greg. Frank loved his family and friends beyond measure, and we will miss his megawatt smile and larger-than life persona, lighting up every room he entered.

After graduating from Boise State University with his accounting degree, Frank moved to Coeur d'Alene, ID where he started his successful 48-year career as a CPA. Frank loved and excelled at his profession, primarily because of the deep relationships he built with his business associates and clientele. Few people like tax season, but he looked forward to this time of year when he could discover how his clients' families had grown and had prevailed that year.

Frank was loved and respected in our community. This is because he took actions based on what would benefit us all, not just himself. In his 50s, one of the things he enjoyed most was coaching junior tackle football and seeing our youth find their strengths as part of a team.

Frank and his wife Linda had many adventures in their time together. They loved to travel and created a tradition of spending time with their grandchildren, taking them on mystery trips the year each of them turned 12 years old. They have also visited Ireland, Scotland, (golfing at St. Andrews), France, Italy, Germany, Hungary, Spain, Mexico, the Czech Republic, Austria, the Netherlands, and almost every state in the US. Before his passing, Frank was busy planning a trip to Greece, Croatia, and Italy this coming summer. His craving for warm weather led to many of their travels, and they spent as much time as possible at their Tucson home.

Frank never missed the opportunity to sing the praises of his alma mater with his family, friends, or clients, and poke fun at EVERYONE else who made the wrong decision to go anywhere but BSU. It was a rare occasion to find Frank not talking about, surrounded by, or wearing Boise Broncos gear.

A celebration of his life is planned for Saturday, June 17th (Father's Day weekend) 2023. The celebration will be located at 1250 W. Ironwood Dr. Cda, Idaho at 2 p.m.

In honor of Frank, wear shorts (Frank's favorite attire); bright colors: Boise State Bronco or Hawaiian shirts preferred. Hopefully, the weather will cooperate.

Please visit Frank's full memorial and sign the online guest book at www.englishfuneralchapel.com.

Annual Panhandle Chapter Big Game Banquet

The Rocky Mountain Elk Foundation Panhandle Chapter Banquet is planned for Saturday, March 18th, 2023 at the Kootenai County Fairgrounds, Jacklin Building in Coeur d'alene, ID. Doors open at 4:30pm. For ticket information and to purchase tables, visit rmeff.org or contact Allen Main at cdarmef@gmail.com or 509-218-1626. In addition, you can scan the QR code below.

In May of 1984, four men from Northwest Montana realized there was no organizations that supported the future of elk. They pooled their time, talents and resources and officially established the Rocky Mountain Elk Foundation. The four founders- a pastor, realtor, logger and drive-in owner, pinched their pennies, borrowed funds and drained bank accounts to create an organization to benefit elk and other wildlife by putting money to work on the ground.

After mailing brochures and the first issue of Bugle magazine, membership grew to nearly 2,500 members by the end of 1984.

In April of 1985, RMEF hosted its first convention in Spokane, Washington. Later that year, they helped raise money for their first habitat project- a prescribed burn in a place fittingly named Elk Creek on the Kootenai National Forest, near Libby, Montana.

Since it's humble beginnings in the mid 1980's, the Rocky Mountain Elk Foundation now has more than 225,000 members, whose support helped complete more than 13,000 conservation and hunting heritage outreach projects, that protected or enhanced more than 8.5 million acres of wildlife habitat and opened or improved public access to more than 104 million acres, much of which was completely off-limits to the public. RMEF now has over 12,000 volunteers working through more than 500 chapters nationwide.

Today, RMEF is one of the most effective and efficient conservation organizations in the United States. Working together with members, volunteers and conservation partners, it is a strong voice for elk, elk country, hunters and public access, as well as wildlife management and conservation issues.

Show your support for RMEF and elk country, by joining the Panhandle Chapter March 18th, for a night of fun- including dinner, raffles, silent and live auctions, games and more.

It's a GOOD TIME for a GREAT CAUSE!

HISTORIC PROPERTIES of IDAHO PANHANDLE

Fort Sherman Chapel

On April 16, 1878, an order issued from the headquarters of the US Army, District of the Clearwater officially established a new fort at the present location of North Idaho College. Construction of the fort began that summer, and the first buildings completed were barracks for the men, quarters for the single officers and cottages for the married officers and their families. The Chapel was among the next buildings constructed in 1880, along with the commissary, quartermaster building, hospital, post hall and powder magazine, and the stables.

The Fort Sherman Chapel is Coeur d'Alene's oldest church, school, library, and meeting hall. Fort Sherman was closed in 1900, and the buildings and property were sold at public auction in 1905. Developers bought what is today known as the Sherman Park Addition, which included the Chapel. Over the years, many denominations used the Chapel for church services. Concerted effort began in 1934 to preserve the Chapel. In 1942, the Athletic Round Table held the Chapel in trust and began repairs of the structure. To ensure the preservation of Coeur d'Alene's oldest standing building, the ART donated the Chapel to the Museum of North Idaho in 1984.

Today, the Fort Sherman Chapel is used as a venue for various history programs and can also be rented for private events such as meetings and weddings.

WEEKLY Horoscopes for Feb 3-9

ARIES – Mar 21/Apr 20

Aries, it's important to focus on progress and not necessarily on money that can be made. See what you can learn along the path you choose.

TAURUS – Apr 21/May 21

You have high hopes that your efforts will be well received this week, Taurus. Before you move full speed ahead, run your ideas by a trusted group of confidantes.

GEMINI – May 22/Jun 21

You don't learn by getting things right all of the time, Gemini. A few mistakes along the way provide an opportunity to grow and figure out new ways to do the job.

CANCER – Jun 22/Jul 22

Cancer, distractions seemingly abound this week and your head isn't in the game. While you can get away with a few oversights here and there, too many can be problematic.

LEO – Jul 23/Aug 23

Leo, someone in your life is looking for a pep talk and you are just the person to provide one. Listen to the problem at hand and offer this person some solid solutions.

VIRGO – Aug 24/Sept 22

Virgo, you could be at a crossroads in your life. You are pondering many different scenarios, and now is the time to solidify plans for the next few weeks.

LIBRA – Sept 23/Oct 23

SCORPIO – Oct 24/Nov 22

Scorpio, it is not like you to feel adrift, but that could be the situation right now. Latch on to one activity or person that brings you joy. Focus on the positives in life.

SAGITTARIUS – Nov 23/Dec 21

Sagittarius, family members want to spend more time with you, so plan for the extra company. Have a few extra snacks on hand and make sure the house is orderly.

CAPRICORN – Dec 22/Jan 20

Your tendency to want to tackle things all on your own could have you pushing others away, Capricorn. Accept others' willingness to pitch in.

AQUARIUS – Jan 21/Feb 18

Aquarius, there has been a lot on your plate and many thoughts swimming through your mind. A quick getaway could be what is needed this month.

PISCES – Feb 19/Mar 20

OPERATION DOG TAG

OperationDogTag.org

Operation Dog Tag (ODT) is a non-profit organization that provides training aid and guidance in the service dog community for veterans. These service dogs are a vital importance to a disabled veteran's rehabilitation back into today's society. With ODT bringing training to the service dog, veteran alike. The need for a building is vital to the success of this program. I know from my own personal disabilities that having a dog around can help with some of the invisible pains that a human can't sense. The dog can tell when you are anxious or upset and can provide a sense of comfort. Some veterans like me have horrible vivid dreams known as night terrors. With my own personal problems of sleep apnea, my dog will wake me up when I stop breathing while I sleep. So I believe that a good service dog that has been trained by ODT will help his/her veteran through the process of dealing with the stressors of TBI (Traumatic brain injury) and PTSD (Post traumatic stress disorder). Along with veterans who have lost arms or legs the service dog can help them with reaching or grabbing items, turning on light switches, opening

doors, and protection. To provide a service to our veterans in this nature, is not a question of should but when can we start this process to get a good man and his program up and running... so thank you for your time.

Michael Carroll, Spokane Veteran's Court Mentor, VSO, Point Man International Ministries, WWP Alumni, American Legion District 8 Service Officer, Veteran Outreach Center volunteer. Army spc. 1/4 ADA Battalion Iraq 2003-2004

A MESSAGE FROM THE DIRECTOR OF OPERATION DOG TAG

Operation Dog Tag is a non-profit organization dedicated to training dogs for combat Veterans. Then in turn, training those Vets to train other dogs for other Vets. Having a dog has been proven to help with rehabilitation & many

Veterans in our area are in desperate need. The Veterans are given these dogs at no cost. So please help us help our Veterans by donating **Pointman Int'l Ministries (DBA Operation Dog Tag)** Joe Scheffer, Director PO Box 1892, Deer Park, WA 99006 509-276-4364 (leave message)

Dedicated to all men and women who served in combat and their families who love them. Operation Dog Tag wishes to educate the community of their purpose and asks for help in aiding the returning Veterans along with the ones that are already struggling at home.

And we Veterans thank you as we continue "Making Man's Best Friend Even Better For A Veteran"

Dave Jayne
"The Outdoor Insider"

There is snow in the forecast again where I live, but it shouldn't be too much. This has been quite a winter, but it hasn't keep me house bound. I have been getting out and catching some nice triploids on Rufus Woods, and I hope to stock up on more of them this winter. They are the best eating trout you can catch.

I hope to get up to Rufus Woods this week and try my luck from the shore at the middle net pens. Rufus is the hottest thing going this time of year and I have had some great days in February. A few years ago, I fished with Austin Moser on the Nespelem Bar, across from the upper net pens, to see if we could catch some walleye. We did get a few, but now Austin really has it dialed in and catches lots of walleye on this bar. One of the fun aspects of fishing here is that you often get your limit of triploids while fishing for walleye. He is filling his fish box with a mix of walleye and triploids right now. I do the same thing, but I troll downstream with bottom bouncers below the upper pens. I have bank fished at Brandts Landing a couple of times this winter and some days I have had great luck and others not so much.

I checked in with Jill Phillips at the Colville Hatchery about what they have planned for releases this year. She said that they will release about 10,000 fish weighing between 1.5 and 2 pounds in February. There will be other releases prior to the runoff, and I will keep you posted about those. If the releases are similar this year to those of years past, I expect that the Colville Tribe will put over 40,000 triploids in Rufus Woods this spring.

Fishing can be boom or bust just about anywhere you go. I have had a couple of slow days at Brandts Landing and one really good one. We always catch fish, but some days they aren't as big. One of my other favorite places to fish from the shore in the winter is at Keller. There is a Federal Park that is just down the lake from the boat ramp. The access road will lead you to a few spots close to the water. I like the last one at the end of the road. It is closest to the water, and I think it has the

best drop off to deeper water where the trout are cruising. I do see anglers fishing from the shore right in the boat launch bay, and this shore drops off pretty steeply. I have had some slow days here, too, but it is usually productive for rainbow from 16 to 21 inches. I hope to get up there soon. There are vault toilets nearby and some have picnic tables and garbage cans. Of course, Spring Canyon and Crescent Beach are good options close to town. Nothing complicated about fishing in these areas. Slip sinkers and Power Bait will do the job. This week's photo was taken at Keller with a nice 19 inch rainbow.

Last Tuesday was a reminder that

fishing isn't always about catching. My good friend Rollie Schmitt couldn't remember the last time he had been fishing since the sockeye season on Lake Wenatchee. This is very unusual for him. He enjoys fishing in all its forms and we typically fish for all kinds of species year-round. We started fishing together around 2006, after meeting each other at a WDFW presentation on the Upper Columbia River Management Plan. Our mutual interests in fishing, even at the management level, has sustained a wonderful friendship ever since.

Rollie had fished Rufus Woods with me, but never at Brandts Landing. When I told him about the great day we had last Friday, he was eager to get up

there. Our day started off promising. He had a 20-inch rainbow on the bank before I even had the second rod cast and set. We had several other bites, but our day was mostly spent in conversation about past fishing trips and future plans. We only took home two fish, but it was one of the best days of fishing we've had together for a long time.

Something I forgot to mention about my trip to Brandts Landing with Keith Hiatt is that the big fish I landed had a hook in its jaw that wasn't mine. The same thing happened on my last trip. When I was reeling this fish in it got hung up. What I did was drop my rod tip and strip off a couple of feet of line. It worked. The fish pulled my weight out of the rocks, and I landed it!

The Washington Sportsman's Show opens this week and runs through Sunday the 5th. This is the biggest outdoor show in the state and many people plan to be there for two days to take it all in. On Friday February 3rd the largest boat show on the west coast starts in Seattle. I have been busy preparing my Power Point presentation for the show, which will be the first one of many seminars at this year's Seattle Boat Show. They suggested the topic of "Where to Catch the Biggest Trout in the State". I have about 40 minutes and it is difficult to keep my presentation within that time-frame. I have five destinations on my list, and I want to give people some tips on how to catch fish at these locations. I could spend 40 minutes talking about each of these locations, so I have to do a couple of Power Points and then edit them down. I have been doing seminars at the Boat Show for several years, so I know I can do it. The Seattle Boat Show runs from Friday February 3rd through Saturday February 11th.

The next outdoor show is the 32nd annual Central Washington Sportsmen's Show at the Sundome in Yakima, February 24th to the 26th. These shows offer everything that the big ones do, just in a smaller venue. I have attended this show for many years and will be at this one with the folks from Bob Feil Boats and Motors.

If you can't get out on the water you can at least have fun at these shows!
