OPERATION DOG TAG

OperationDogTag.org

Upon listening to a radio program revealing that 6,000 precious veterans committed suicide in 2010 from the effects of combat experience, Operation Dog Tag became Joe Scheffer's vision. As a veteran with the US Marine Corps, he brought to the table his understanding as a combat veteran and his experience as a professional dog trainer. From these humble beginnings came Operation Dog Tag, a Spokane based organization under Point Man International Ministries.

The program instructs veterans to train qualified service dogs to meet the critical needs of other combat veterans, by providing assistance with Post Traumatic Stress Disorder, crutches, canes, walkers or those who are wheelchair bound. Joe was given permission to speak with various veterans' groups, and the psychiatric floor of the VA Hospital. They too, saw the great potential.

Operation Dog Tag is determined to help veterans and their families begin living their lives again by "making man's best friend even better for a veteran." Joe hopes that suffering veterans can have a "new day, new hope, and new joy" as unconditional love leads the way. Operation Dog

Tag is hoping for a van in order to transport vets or dogs, making it easier to help those unable to provide their own transportation. They would also appreciate any help in attaining items such as products to raffle off, a computer, wheelchairs, dogs that might qualify and volunteers to place phone calls. For more information, call Joe Scheffer at 509-276-4364 or visit OperationDogTag.org

A MESSAGE FROM THE DIRECTOR OF OPERATION DOG TAG

Operation Dog Tag is a non-profit organization dedicated to training dogs for combat Veterans. Then in turn, training those Vets to train other dogs for other Vets. Having a dog has been proven to help with rehabilitation & many

Veterans in our area are in desperate need. The Veterans are given these dogs at no cost. So please help us help our Veterans by donating to:

Pointman Int'l Ministries

(DBA Operation Dog Tag)

Joe Scheffer, Director

PO Box 1892, Deer Park, WA 99006

509-276-4364 (leave message)

Dedicated to all men and women who served in combat and their families who love them. Operation Dog Tag wishes to educate the community of their purpose and asks for help in aiding the returning Veterans along with the ones that are already struggling at home.

And we Veterans thank you as we continue "Making Man's Best Friend Even Better For A Veteran"

- Joe Scheffer, Director/Trainer of Operation Dog Tag, Vietnam Vet USMC

CAT OF THE WEEK

Meet **Robbie**! Robbie is a sweet, sometimes shy cat who enjoys talking and hanging out in his hammock. He does enjoy being pet but will be hesitant around strangers. Because of his shy nature, he would rather not live with a big dog. Robbie loves other cats and is hoping to go to a home where he can bond with a new friend. He is a handsome, sweet, loveable guy!

Please contact **Kootenai Humane Society** at 208-772-4019 or visit our website at www.companionsanimalcenter.org

CAN YOU OPEN YOUR HOME & HEART TO A FOSTER DOG?

Furry Farm Rescue is looking for foster families. If you have another friendly dog and/or dog friendly cats, adding a foster dog to your house is easy! You bring the dog into your home, provide them with a safe, structured environment while they wait placement in a permanent home. It is one of the most rewarding things an animal lover can do. We provide food, crate/leash, collar bowl, etc; training if needed, 24/7 support & vet care. You provide a temporary home, love & your time. Fostering saves lives, and there is a huge need in our community right now. Please go to our website, and click the Fostering tab & fill out an application: www.TheFurryFarmRescue.org

SNAKE RIVER SAD- DLERY

Custom made gun leather. 1909 Main, Lewiston. 208-553-5380

I almost pulled the Smoker Craft home last week, so I could get it ready for the first trip of the season. That is until I saw the forecast calling for ten days of snow and rain in Leavenworth. Looks like I will be fishing from shore and begging for rides for a while longer. Looking ahead there is very good news for our salmon seasons in the coming year. Check it out. I know these seasons are a ways off, but with this long winter it gives us something to look forward to!

About 84,800 Upper Columbia River summer Chinook are forecasted to return in 2023, representing about 120 percent of the 10 year average return and higher than last year's 78,500 fish.

The total return of fall Chinook to the Columbia River is expected to be similar to the recent 3 year returns. That includes about 272,400 "upriver bright" fall Chinook that are expected to return to areas of the Columbia River above Bonneville Dam, an increase from the 254,880 that returned in 2022. "We're considering several options to improve the predictability of fall Chinook fisheries and limit the in-season closures we've seen in the past several years," said Ryan Lothrop, Columbia River fisheries manager. "We'll be leaning heavily on public input to help determine what anglers would like to see in 2023." The public is invited to join WDFW at online public meetings throughout March and into April to discuss coastal and regional fishery issues and preferences for Puget Sound and Columbia River. Meetings offer opportunities for public comment, which fisheries managers use to help form non-tribal fishing seasons.

Forecasts for Columbia River coho prior to fisheries occurring for the ocean and Columbia River are expected to see a slight improvement compared to the past two years' returns, with just over 886,000 early and late coho predicted to return in 2023. The 2023 forecast would be nearly double the 10 year average and an increase from the 2022 abundance of 685,000 coho.

Meanwhile, 234,500 sockeye are predicted to return to the Columbia in 2023, higher than last year's forecast but well below the actual return of

nearly 665,000 fish. The endangered Snake River sockeye run is forecast to increase slightly to 2,600, compared to last year's return of 2,329 fish.

The forecast estimates that there will be 187,400 sockeye returning to the Okanogan and the popular fishery in the Brewster Pool and below Wells Dam. Last year the fishing in these areas was fantastic, with a four-fish daily limit. Many of the guides were running two trips a day and limiting for their clients in the Brewster Pool. The forecast calls for a return of 44,300 sockeye to Lake Wenatchee. The needed escapement is 23,500 sockeye to have a season on the lake, so it looks like there will be a fishery this year. These sockeye returns often surprise us. Last year the forecast was for 198,700 sockeye to return to the Columbia River. Remember, the actual return was 664,935!

As many of you know, I did a six-year term as a Washington Department of Fish and Wildlife Commissioner. I was glad to hear that two new appointments have been made and both are from Eastern Washington. Governor Jay Inslee has appointed three members to the Washington Fish and Wildlife Commission.

The Commission is a nine-person citizen panel appointed by the governor to set policy for the Washington Department of Fish and Wildlife (WDFW). The Commission is comprised of three members from western Washington, three from eastern Washington, and three "at-large" members who may reside anywhere in the state. No two Commission members can reside in the same county.

Steve Parker is appointed to an eastern Washington position. He is a retired fisheries biologist who spent much of his 45 year career with the Yakama Nation and lives in Yakima County. Woodrow "Woody" Myers, Jr. is appointed to an at-large Washington position. He lives in Spokane County and retired from WDFW as an ungulate research biologist where he worked for 40 years.

In addition, Barbara Baker was re-appointed to the Commission to a western Washington position. Baker was first appointed to an at-large position to the Commission in January

2017. She is an attorney who lives in Thurston County who retired from a long career in the state Legislature to devote time and energy to fulfill the requirements of this important appointment. She served as Vice Chair of the Commission from January 2019 to March 2022 and Chair since 2022.

"Our Washington Fish and Wildlife Commission shoulders many complex and sometimes controversial issues, and as the climate changes, their responsibilities only increase," Gov. Jay Inslee said. "I am proud to welcome these three commissioners who will work hard to help our state protect and sustain its unique and cherished fish and wildlife."

Commissioners are appointed to six-year terms; appointees are subject to confirmation by the state Senate, which is currently in session. However, members are official upon appointment and serve as voting members on the Commission while awaiting Senate confirmation.

I wanted to share something that I am really excited about. A few weeks ago, I met with Brent Rhodes at KKRK, the big country station in Wenatchee. We worked together at the station before I went out on my own. He had a great idea about how we could get my reports on the air on both KKRK in Wenatchee and KWIQ in Moses Lake. "How about we start a Podcast", he said. Well, we worked out the details and now you can get my audio reports without being in signal range of these stations.

Just go to kkrv.com/graybillreport/ or kwiq.com/graybillreport/ and you can play the report on your computer or cell phone. Anytime, anywhere. Even better if you miss a report you can play previous reports. Pretty cool. I am very pleased to have a new way to get current information on fishing out to my followers!

I heard the ice had cleared off Potholes Reservoir and I wanted to see if anyone was fishing for walleye. I got a couple of reports. One was from Shelby Ross, a long-time guide on Potholes for many years. He said he got a couple of walleye last Saturday, but with water temperatures in the mid 30s, fishing is slow.

March GARDENING TIPS

Master Gardeners of Spokane County

ATTEND CABIN FEVER

Get set! Get Ready! Go! This is a great way to jump start the gardening season. A choice of 4 seminars, keynote address, lunch, door prizes, vendors and more! March 18, 2023. Register by March 3 at mgfsc.org

STARTING TOMATOES

If you grow tomatoes from seed, now is the time to start them indoors if you want big, juicy tomatoes in the summer.

START A GARDEN JOURNAL

Start by taking photos of your early blooming spring plants so that you will know what you have when they die back. Continue to photo and note what blooms where all season for easy reference the following year.

ORNAMENTAL GRASSES

Now is the time to cut back your ornamental grasses to avoid cutting off the new growth tips. Cut back to about 6 inches. Don't cut fescues, but clean them up by running your hands through the plant and removing the old plant material.

HISTORIC PROPERTIES of IDAHO PANHANDLE

Fort Sherman Chapel

On April 16, 1878, an order issued from the headquarters of the US Army, District of the Clearwater officially established a new fort at the present location of North Idaho College. Construction of the fort began that summer, and the first buildings completed were barracks for the men, quarters for the single officers and cottages for the married officers and their families. The Chapel was among the next buildings constructed in 1880, along with the commissary, quartermaster building, hospital, post hall and powder magazine, and the stables.

The Fort Sherman Chapel is Coeur d'Alene's oldest church, school, library, and meeting hall. Fort Sherman was closed in 1900, and the buildings and property were sold at public auction in 1905. Developers bought what is today known as the Sherman Park Addition, which included the Chapel. Over the years, many denominations used the Chapel for church services. Concerted effort began in 1934 to preserve the Chapel. In 1942, the Athletic Round Table held the Chapel in trust and began repairs of the structure. To ensure the preservation of Coeur d'Alene's oldest standing building, the ART donated the Chapel to the Museum of North Idaho in 1984.

Today, the Fort Sherman Chapel is used as a venue for various history programs and can also be rented for private events such as meetings and weddings.
