Dave Johnson
"The Outdoor Insider"

I fished far and wide this past week, and spent most of my time finishing my sockeye fishing season on Lake Wenatchee. It was an epic season for me on the lake. I also fished the Missouri River near Great Falls, Montana.

When Buell Hawkins added Smoker Craft boats to the Valley Tractor dealership many years ago, he offered me a new boat every year to help him promote this new feature. He made good on his promise and for six years I drove a variety of Smoker Crafts. Bob Feil made an offer to take his inventory to add the boats to their dealership and Hawkins accepted. I promised Buell that I would take him fishing any time he wanted, and I once again made good on my promise taking Buell and his two grandsons fishing on Lake Wenatchee last week. I hadn't fished with Luke Hawkins, Brad Hawkins son, since we got his first king salmon in Bridgeport when he was much younger. I fished with Landon Hawkin, Brian Hawkins son, on a kokanee fishing trip two years ago. It was great having both grandsons and Buell on board. Both boys got to land fish and we had terrific fun fishing together. Buell and I are now planning a trip to Omak Lake. We have fished this lake a couple times in the past and he loves the scenery and the size of the Lahontan cutthroat in this Colville Reservation lake.

The weather forecast was for smoke and wind at Lake Wenatchee last week, but I wanted to take Tom Verschuren on another sockeye fishing trip, so off we went. Turned out the smoke wasn't an issue, but the wind did blow. I had been away from my boat for several days and found a dead battery and couldn't start my big motor, plus didn't have electronics, and couldn't use my downriggers. Hey, I still had a bow mount electric motor so off we went. The bite started a little later than usual, but it did get going and we enjoyed excellent action. Tom mentioned that we were getting bigger than usual sockeye, and that may be as the females are getting fatter with eggs.

My trolling path was taking us further and further down lake, and I was concerned that my bow mount batteries would run down, and we wouldn't make it back to the dock. A few years ago, when fishing for kokanee on Lake Chel-

an, my battery got so low that I couldn't start my big motor or my kicker. We made it to a dock on the bow mount at 1mph. There was someone there working on his lake place, and he hauled the battery out of his electric boat lift down to the boat. I was able to get my kicker started and we made it home. I didn't want a repeat of this experience. This time Tom just started the kicker with a couple of pulls and we were golden. We managed to get our limits of sockeye while on the electric.

The Lake Wenatchee sockeye season closes at the end of August. There were only ten or twelve boats on the water the last time I fished the lake. There were a couple of reasons for the drop in angler participation. One was the smoky conditions and the other was the "iffy" shape of the fish. They were getting closer to their spawning time and some of the fish were pretty washed out, and not even of a quality for smoking.

On a recent trip to Great Falls, Montana my brother in law Tom Verschuren and I spent some time fishing the Missouri River. On our way there we viewed the Clark Fork several times as I-90 passed over the river. I have always wanted to fish the Clark Fork but have never taken the time to stop and try my luck.

When we turned onto Highway 200, and this took us along the Blackfoot River. Smaller than the Clark Fork, it is a very attractive stream. We got many

glimpses of the stream, and it was very wadable and had lots of nice riffles and some deep pools. We both were impressed with the number of public fishing accessed we passed on our way to Great Falls.

We were going to be freelancing, by that I mean fishing from shore on the Missouri River and would have to just find a likely looking spot. Not knowing anything about the hatches or even if we could wade this big river, Tom and I took the same gear we use when fishing from shore on Lake Roosevelt and Rufus Woods.

We turned off Highway 15 southwest of Great Falls, and downriver from the town of Cascade. This highway parallels the river and when we saw a sign for the Canyon Recreation area, we turned off and started looking for a place to fish from the shore. The Missouri is a big river, but we found a likely looking bend, and grabbed our rods and tried our luck off the rip rap bank. On my second cast, my rod made the telltale bounce and a fish jumped in the middle of the river. I managed to land the fish, which was a nice 15-inch rainbow, and I got another 12-inch rainbow. This week's photo is of me with the smaller rainbow I caught.

Although the spot we chose was producing fish we were dragging in a huge amount of weeds. It was a pain having to strip this stuff off of our lines every time we cast. There weren't any weeds where we were placing our casts, but we couldn't retrieve our lines, even with a fish on the end, without getting all weeded up. We thought we could find another place to fish, but didn't come across one, and we drove all the way down to Holter Lake, that was formed by a dam on the Missouri. We also drove through the town of Craig, which is obviously a hub for fishing the river. There were fly shops there and drift boats everywhere. We passed a lot of drift boats on the Missouri on our drive to Holter Lake, and several very nice fishing accesses where the boats could be launched.

Now it's time to get back to fishing this region. Oh, boy! Fall can be the best season of the year.

CAT OF THE WEEK

Meet **Malarkey!** Malarkey is a well dressed gentleman with lot's of love and affection to offer up. Malarkey is a total love bug. He is looking for a quiet home and isn't opposed to roommates. He has previously lived with a few other animals, including a dog. Although we still recommend a slow introduction with loads of patience to encourage the best friendship possible.

Please contact the **Whitman County Humane Society** at (509) 332-3422 or visit our website at www.whitmanpets.org

DOG OF THE WEEK

Hi! I'm **Muddle!** I was found on the side of the highway in Pullman. Whether it's lazing around on the couch curled up watching your favorite sitcom, or getting out and taking a brisk morning walk- I'm content being anywhere as long as it's with my human. I do not do well with dogs or cats. Please be sure to have the appropriate amount of time & resources for a dog in your home.

Please contact the **Whitman County Humane Society** at (509) 332-3422 or visit our website at www.whitmanpets.org

EAGLE TRACK RACEWAY LAUNCHES STEM PROGRAM

Submitted by Eagle Track Promotions

REPUBLIC, WA. — Students in Republic and Tonasket, like many other schools, have the opportunity to be immersed in the many disciplines of STEM — the acronym that stands for Science, Technology, Engineering and Mathematics.

But it's likely not many have the "classroom" these youngsters do?

Through a cooperative venture with Eagle Track Raceway, the stock car racing track in Republic, and Hewes Marine in Colville, the aim of the program is to teach STEM concepts to community youth through the lens of motorsports.

"STEM-based education teaches more than science and mathematics," Eagle Track promoter Jason Pestka said in a news release. "We focus our efforts on hands-on learning with real-world philosophy. We teach a wide variety of skill sets and 21st-century skills, including social skills, technology literacy, productivity, media, communication, initiative and flexibility."

One of the key focus points centers on the art of problem solving, critical thinking, creativity, leadership, curiosity and decision making. "Regardless of an eventual career path, these skills prepare young people to be innovators," Pestka said.

"Adversity is inevitable, so we coach how to cope and overcome any situation," Pestka said. "We also aim to allow children to explore and experience during all of our projects."

The banner that promotes the program in schools at both Tonasket and Republic.

With motorsports being the base the Republic program utilizes many disciplines. After an introduction the program then offer problems that range from physics to geometry, media relations and public speaking.

"Motorsports of any type require a wide range of skills," Pestka explained. "We also work to give hands-on experience for all of our projects," he added.

Working on projects from inception through to completion not only offers real-world answers, but also the gratification of seeing a project through.

"We set a high standard of requiring follow through," Pestka said. "This sets the standard that will be followed for a lifetime."

"A special thanks to Hewes Marine Colville for sponsoring the program," Pestka said.

The program kicked off this past spring and will continue with a visit to Republic Junior High in September with when students will learn lessons with a modified race car. ■

NWSLMS VISITS HERMISTON

HERMISTON, OR. — With three events to go Spokane's Haeden Plybon takes a 58-point edge and a three-race win streak into the Sept. 3 for the Atomic 125.

Plybon's 307 points leads both Max Schroeder and Zach Riehl who are tied at 249. Wyatt King and Kasey Kleyn round out the top-five and are also tied with 232 points.

The schedule concludes with races Sept. 16 at Wenatchee and Oct. 1 for the Fall Classic in Tri Cities. ■

NO PREP RACE SEPT. 9 AT WALLA WALLA

Walla Walla, WA. — Walla Walla Dragstrip drivers will be preparing for their next race Saturday, Sept. 9.

The Street Legal Drags the No Prep Race will also feature Short Course Drifting on the eighth-mile track.

For Saturday racing gates open at 8, time trials at 10, followed by eliminations.

Prices: Spectators 17 and up - \$10. Ages 11-16 - \$5. Kids 10 and under - FREE. Drivers Fees: S/Pro \$60, Pro \$60, Sportsman \$35, Jr. Drag \$30, St. Legal / T&T \$25.

The regular season where points battles will be decided concludes Sept. 22-24 with the final two Napa Points Series races. Info: wwdragstrip.com. ■

JUST ADD WATER!

They normally race on dirt at Northport International Raceway and really dislike when it gets wet. But all that changed Aug. 27 when competitors took to a gooey trench at the track that was filled with mud.

Owner Allan Lundberg tries to stay on course during a special memorial mud bog. The racing was held in memory of Robert Weiss who passed away last year.

"It was a hell of a show, a great day" promoter Cory Bell wrote in a Facebook message.

Following regular races at the track Aug. 26, Northport takes a few weeks off before resuming its schedule Sept. 30, with part of the break needed while observing racer Cory Schraeder's wedding. ■

Paul Delaney has been writing about Motorsports in the Pacific Northwest since 1976. He welcomes learning about your racing accomplishments.
