CHRISTMAS WISHES to our HEROES OVERSEAS INC.

Non-Profit Organization in Service to our Troops

A Non-Profit Organization in service to our Troops since 2013 - 100% Goes to Our Heroes! WE SUPPORT OUR TROOPS!

WHO WE ARE

- ★ We fundraise and send Christmas care packages to Our soldiers overseas for the holidays, and to a lesser extent needed requested items year 'round!
- ★ We can't forget our Heroes and need your support!
- ★ We learned over the years that we can help more than double the number of soldiers with a better volume of products if we send orders via direct online with free shipping to the APO Addresses because of the higher shipping costs at the USPS for international shipping.
- ★ If you have a loved one serving overseas, e-mail us their information so we can get Care Packages to them first. **We will serve Local Heroes first!**

Now Collecting Items for CHRISTMAS 2023!

- ★ Due to the delay in international shipping, we will have our open Event this Year as early as Nov. 19th and 20th from 2pm until 6pm

Dave Jayne
"The Outdoor Insider"

Our great fall weather is encouraging anglers to get out on the water, and there are some really terrific fisheries that begin in the fall. Salmon anglers are chasing fall Chinook on the Hanford Reach, and sturgeon fishing has opened on Lake Roosevelt. Many of our area lakes close to fishing at the end of September, so you better hurry if you want to get in on the usually good fall bite.

With some very popular fall fisheries ramping up, I thought I would remind anglers that I have some very informative videos on my YouTube channel that you may find of interest. If you are new to the Hanford Reach fall salmon fishery, or don't think you are catching your share, check out the videos that have been done with Shane Magnuson. He demonstrates some very effective techniques, and there's even one about curing eggs. Another fall fishery that attracts a lot of attention in the fall is for sturgeon on Lake Roosevelt. I did one with Kevin Witte, who is Kettle Falls area guide, that is loaded with good info. You can also find one we did with Austin Moser that was done below Rock Island Dam. Much of what Austin does on the Columbia River down here will translate into fishing for sturgeon in other areas. When you are on my YouTube channel, check out the videos I have done on the Grant County PUD's Recreations Areas. I just made some of these public so you can learn about these access sites along the Columbia River. This week's photo was taken below Priest Rapids Dam a few years ago.

Also, I will be writing and distributing my free E-Letter for Fall shortly. I will be talking about the Hanford Reach salmon fishing in this issue. There will be Google maps of some of the most popular fishing areas and some information on how to rig and what to use to catch these upriver bright salmon. To make sure you get a copy of the free E-Letter, go to my website at www.FishingMagician.com and click on the Free E-Letter button at the top left of the Home Page. I will make sure you get on the list.

Fall salmon are making their way up the Columbia River and fishing in the Hanford Reach is about to take off. This fishery is probably the biggest

one on the east side of the mountains. Hundreds of anglers will be out chasing them every day. Along with the fall run Chinook there are coho salmon passing through the dams and many of them will be headed for the Icicle River here in Leavenworth. This has become a regular thing in recent years. I had my doubts about the quality of these fish, but after catching some I changed my mind. They are not only fun to catch, the table quality, in the early part of the season, is excellent. Looking back at some photos I have taken of coho fishing on the Icicle, the fishing usually takes place a little later this month. It may occur later than usual

with the very low water we're seeing in our area streams. Over 900 coho have passed over Rock Island Dam but haven't shown up in Icicle yet.

The most popular method of catching coho in the Icicle is with jigs, and I would stock up now before they are all gone from the shelves at local sporting goods stores. There are "twitching" jigs made especially for coho fishing, but they are usually made for bigger rivers than the Icicle and are very heavy. I caught my first coho on a Macks Lures Rock Dancer jig, in a light weight. I usually trim the deer hair back a bit on these jigs. I will keep you posted on the opening of the Icicle for coho fishing.

Since 1991 the Wenatchee River Salmon Festival has hosted thousands of third and four grade students for two days of "edutainment". A term for educational activities to learn about our natural world, celebrate the return of salmon to the Wenatchee River and the importance of salmon to the people of the Northwest. The event was previously held at the National Fish Hatchery in

Leavenworth, and attracted thousands of visitors when it was opened to the public. The Community Day is back for the first time since 2019, and on Saturday, September 23rd families are invited to come to the Rocky Reach Dam Park and Discovery Center to take part in the free festival. There is a long list of hands-on activities that the kids will enjoy, and other activities throughout the day. There is live entertainment scheduled and two appearances by the Reptile Lady that is always a big hit. There is absolutely nothing that compares with Salmon Fest as a family event and it's all free. Please visit the website at www.SalmonFest.org to see the incredible range of things to do. A big thank you to Chelan County PUD, for helping stage the festival, and all the volunteers and agencies that help make it possible.

While fall salmon attract a great deal of attention this time of year, there are some other fisheries that bloom. Walleye fishing can be excellent in the fall, and I have had some amazing days on Banks Lake and Potholes Reservoir can really

light up when the weather cools. Last fall the walleye bite was terrific on Potholes, and I am already getting some good reports. Many anglers are saying they could be getting more walleye, but they are catching a lot of smallmouth and largemouth bass, big bluegill, crappie and really big rainbow trout when trolling their spinners and crawlers.

Trout fishing can also be great as the weather cools. Jameson Lake continues to be a fall favorite with trout anglers. Most anglers don't consider fishing Burke and Quincy lakes this time of year, but they can be surprisingly good. Remember, many of the lakes in the Columbia Basin close at the end of the month.

I have scheduled at least two trips to Omak Lake in the next few weeks. Fishing for Lahontan cutthroat here is nothing short of spectacular, and I rarely see another boat on the water. Since this big, beautiful Lake is on the Colville Reservation and requires Tribal permits and licenses it is largely ignored. Those who have experienced the fishing on Omak Lake are happy to pay these fees.

DOG OF THE WEEK

Meet **Briggs!** Briggs is a big ball of energy. He's a lanky young man with lots of love to offer, but first he's going to need a good sprint around the park. Briggs can jump our 6 foot fence with no hesitation. This means he is going to need outdoor supervision, or a pretty tall gate in case something really interesting runs by. He's your average ridgeback, with a strong will and a smart head.

CAT OF THE WEEK

Meet Fawna! When Fawna first came in she was just a shy gal who didn't really want anything to do with the staff. Now, she has come out of her shell a ton! She is still a little more shy than your typical cat, but when she chooses she loves to be pet, especially chin scratches. Fawna's favorite place to lay is her covered bed, and 9 times out of ten that's where you can find her.

Please contact the **Whitman County Humane Society** at (509) 332-3422 or visit our website at www.WhitmanPets.org

NOXIOUS WEEDS

What is a Noxious Weed? They are non-native plants that have been introduced to Spokane County through human actions. Because of their aggressive growth and lack of natural enemies, these species can be destructive, competitive, and difficult to control.

HOUNDSTONGUE

HOUNDSTONGUE

(*CYNOGLOSSUM OFFICINALE*)

A toxic perennial weed that grows 1-4ft tall. Leaves have a distinct vein and are 1ft long by 3in wide. Stems and leaves have silvery hairs. Blossoms are reddish purple with 5 lobes, growing on the upper leaf axils. This weed is taprooted and self pollinating and reproduces by seed. Rounded, triangular seeds are covered with short velcro like prickles. Pulling and digging can be effective for removal. Sever below the root crown or completely remove root. Velcro like seeds will cling to fabrics and furs. Spraying can be effective in the rosette stage.

Candle Safety

Candles may be pretty to look at, but they are a cause of home fires - and home fire deaths. Remember, a candle is an open flame, which means that it can easily ignite anything that can burn.

"CANDLE WITH CARE"

- Blow out all candles when you leave the room or go to bed. Avoid the use of candles in the bedroom and other areas where people may fall asleep.
- Keep candles at least 1 foot (30 centimetres) away from anything that can burn.

Think about using flameless candles in your home. They look and smell like real candles.

IF YOU DO BURN CANDLES, make sure that you...

- Use candle holders that are sturdy, and won't tip over easily.
- Put candle holders on a sturdy, uncluttered surface.
- Light candles carefully. Keep your hair and any loose clothing away from the flame.
- Don't burn a candle all the way down — put it out before it gets too close to the holder or container.
- Never use a candle if oxygen is used in the home.
- Have flashlights and battery-powered lighting ready to use during a power outage. Never use candles.

Candles & Kids and Pets
Never leave children or pets alone in a room with a burning candle. Keep matches and lighters up high and out of reach, or in a locked cabinet.

FACTS

- December** is the peak month for home candle fires.
- More than **one-third** of home candle fires started in the bedroom.
- Three of every five** candle fires start when things that can burn are too close to the candle.

STATELINE SPEEDWAY 2023 CHAMPIONS NAMED IN 12 CLASSES

POST FALLS, Idaho — Over the past two weeks and in three nights of racing, Stateline Speedway has crowned its 2023 champions.

Hayden's Jeff Bird never won a feature race in 2023 but his five top-five finishes in Freedom Modifieds gave him the nine-points edge (361-352) over nephew Lucas out of Electric City, Wash. on Sept. 16.

Frank Varner of Spokane also had a close finish — just nine points (442-433) — in his Johnson Surveying Hobby Stocks championship win over Bart Hector Jr. from Ephrata in racing on Sept. 9.

Cara Tarr out of Spokane was the V6 Claimers class over Colbert's Donnie Allen is a close battle as just 14 points (402-388) separated the top two. Tarr's consistency — six top five finishes and a main event win in as many races — paved the way to the title.

Alex Mandere from Spokane won the championship in the Rayce Rudeen Legends by 15 points (409-394) over Marissa Sawin from Snohomish, Wash.

Chad Broom finished in the top-five in all six races, winning three in the Eljay Oil Nostalgia Modifieds and topped another Spokane driver, Frankie Volz, Jr. by 16 points (461-445).

Spokane's Reesen Tarr ended with just a 13-point edge (480-467) over James Cotter from Priest River in Goins Bump-to-Pass, winning three races and finishing in the top-five in all six events.

TJ Sneva, son of the late Jerry Sneva and part of Spokane's famous family of racing won his final feature on Sept. 16 en route to the 2023 title. He ended with a 30-point edge (447-417) over Colville's Chris Ochs and won five of six main events.

Jared Storer from Spokane collected the Impel Roadrunners championship with relative ease over Spokane Valley's Keaten Tarr. Three wins and seven top-fives in eight races provided Storer his 63 point (568-505) margin.

It was a battle between Othello, Wash. drivers James Herreid and John Brueher in Motion Auto Supply Early

Stocks. Herreid's five wins in seven races gave the champ an 83-point (685-602) margin.

KC Garber is part of another well-known Spokane-area racing family. His 95-point victory (659-564) in Park Model Homes Fever 4s came on the strength of five victories and top-five finishes in all nine races.

Nick Gibson had to work extra hard to win the Stateline Racecals Pro Late Model championship needing a 900-mile round trip each time from his Nampa, Idaho base. The 2023 Idaho 200 winner had four feature wins in six races in building a 114-point margin (638-524) for the crown.

Spokane's Carsyn Murphy ran away with the Angel's Bail Bonds Bandolero's as 12 wins in 16 races propelled him to a 163-point margin (1,177-1,014) over Maddex Clanton from Rathdrum, Idaho.

The Northwest Figure 8s lone visit to Stateline produced a victory for Snohomish, Wash. Damon Claibourn who won a close 80-75 win over fellow West-sider, Peyton Hopp from Monroe.

Final details on the date and site of the Stateline Speedway banquet are still being finalized.

Nampa, Idaho's Nick Gibson not only won the 2023 Idaho 200 but traveled 900 miles round trip to compete in and win the Racecals Pro Late Model championship at Stateline Speedway.

15-YEAR-OLD EVAN GOETZ WINS AT WENATCHEE

The youth movement in the Northwest Super Late Models prevailed again as Evan Goetz, 15, from Okanogan, Wash. won the Neal Newberry 125, Sept. 16 at the Wenatchee Valley Super Oval.

Goetz finished 2.6 seconds ahead of Haeden Plybon, 19, Spokane and Tayler Riddle out of Naches, Wash. on the quarter-mile oval in a field of 19 cars.

With one race remaining in 2023, the Oct. 1 Fall Classic at Tri City Raceway in West Richland, Wash. Plybon has all but clinched this season's championship.

The top finishers at the Neal Newberry 125 Sept. 16 at Wenatchee included (L-R) Haeden Plybon (second), Evan Goetz (first) and Tayler Riddle (third).

DOUG KALITTA REACHES 50-WIN PLATEAU IN TOP FUEL

Top Fuel's Doug Kalitta picked up his milestone 50th career win Sept. 18 at Maple Grove Raceway, earning his first victory in nearly three years after driving past Steve Torrence in the final round of the 38th annual Pep Boys NHRA Nationals, the first race in the NHRA Countdown to the Championship playoffs.

Robert Hight (Funny Car), Matt Hartford (Pro Stock) and Matt Smith (Pro Stock Motorcycle) also won the 16th of 21 races during the 2023 NHRA Camping World Drag Racing Series season, and the first of six events in the Countdown to the Championship playoffs. The points lead changed hands in every class this weekend as well, with three of the four winners (Hight, Hartford and Smith) taking over the top spot.

Top Fuel's Doug Kalitta picked up his milestone 50th career win Sept. 18.
