## WEEKLY Horoscopes for Sept 21-27

**ARIES – Mar 21/Apr 20**  
There is nothing wrong with a bit of self-indulgence, Aries. But you do not want to go overboard with your treats and other must-haves. Moderation is key in everything.

**TAURUS – Apr 21/May 21**  
You have a no-nonsense bearing that immediately has people drawing close to you and trusting you, Taurus. Put that out in full force as you try to win favor on the job this week.

**GEMINI – May 22/Jun 21**  
Gemini, don't let your quest for excitement pull you in too many different directions right now. You need to stick to one plan for a certain amount of time and see things through.

**CANCER – Jun 22/Jul 22**  
Everyone wants a piece of you right now, Cancer. It is equally flattering and exhausting. You'll have to be choosy regarding where and with whom to dedicate your time.

**LEO – Jul 23/Aug 23**  
Listen to the messages swirling around in your head right now, Leo. Your intuition has been on target so there is no reason to doubt yourself now. Keep moving forward.

**VIRGO – Aug 24/Sept 22**  
Virgo, is a particular relationship getting too intense for you? It might be the time to ease up a bit and take a step back. Distance could provide the clarity you need.

**LIBRA – Sept 23/Oct 23**  
Libra, you do not need to struggle if you simply call in a few favors. Reach out to your network of people and figure out how you can make things work.

**SCORPIO – Oct 24/Nov 22**  
Scorpio, do not chase people down, simply wait for them to come to you with your natural magnetism. You don't want to exert energy this week unnecessarily.

**SAGITTARIUS – Nov 23/Dec 21**  
Sagittarius, rather than showing people all of your cards, hold some information close to the vest and maintain a bit of mystery. Others likely will be intrigued.

**CAPRICORN – Dec 22/Jan 20**  
Capricorn, you may find that things are very profitable for you this week. If you are an entrepreneur, business will be solid. If you perhaps sell on the side, money will flow.

**AQUARIUS – Jan 21/Feb 18**  
Aquarius, for quite some time you have been focusing on everyone but yourself. You have to change your ways if you can get the rest and healing that you need right now.

**PISCES – Feb 19/Mar 20**  
There is no doubt that you've earned a few commendations, Pisces. But this week you need to accept congratulations without being boastful. Exhibit both humility and pride.

OPEN SATURDAY  
8AM-2PM

## Guess Who?

I am a comic actor born in Michigan on September 21, 1959. My career as a comedian started when I impersonated my high school principal. I gained fame in the 1980s and 1990s on a sitcom about an unconventional family.

## DOG OF THE WEEK

Hey, I'm **Ralph**! I'm a happy guy who enjoys being with my people and I always keep my kennel clean. I seem to know some basic commands and I walk well on a leash. It is unsure how I do around young children or small animals, but I seem to do well around dogs my size. My new owners should know that I may be prone to ear infections, so routine visits to the vet are a must!

### FRESHWATER STINGRAY

*There are two types of Freshwater Stingray that can be kept as aquarium pets, the larger Motoro Stingray and the smaller Teacup Stingray. They are fascinating animals, and are peaceful enough to be kept with a wide variety of other beautiful fish, but they can be difficult to keep properly.*

### LIFE SPAN:

Depends on Species

### DIET:

Blackworms, Tubifex Worms, Blood Worms, Shrimp

### HOW MANY:

Best with Other Fish

### DIFFICULTY:

#### SET-UP

Moderately Difficult

#### CARE ROUTINE

#### COST OF UPKEEP

#### AVAILABILITY

### HABITAT:

Freshwater Stingrays have specific habitat needs to stay healthy and active. The length and width of your aquarium is more important than the height. You'll need to keep the water at approximately 78°F and maintain a pH between 6 and 7. Stingrays like to bury themselves in the sand and their skin is easily damaged, so you'll want to keep your aquarium decor to a minimum.

### NECESSITIES:

- 125+ Gallon Aquarium, 3-4' Long and at least 18" Wide
- At Least 6" of Sand Substrate
- Aquarium Filter & Filter Medium
- Water Heater

**Reach Dave @ [www.FishingMagician.com](http://www.FishingMagician.com) or [FishBoy@nwi.net](mailto:FishBoy@nwi.net)**

*Dave Langhille*  
"The Outdoor Insider"

Our great fall weather is encouraging anglers to get out on the water, and there are some really terrific fisheries that begin in the fall. Salmon anglers are chasing fall Chinook on the Hanford Reach, and sturgeon fishing has opened on Lake Roosevelt. Many of our area lakes close to fishing at the end of September, so you better hurry if you want to get in on the usually good fall bite.

With some very popular fall fisheries ramping up, I thought I would remind anglers that I have some very informative videos on my YouTube channel that you may find of interest. If you are new to the Hanford Reach fall salmon fishery, or don't think you are catching your share, check out the videos that have been done with Shane Magnuson. He demonstrates some very effective techniques, and there's even one about curing eggs. Another fall fishery that attracts a lot of attention in the fall is for sturgeon on Lake Roosevelt. I did one with Kevin Witte, who is Kettle Falls area guide, that is loaded with good info. You can also find one we did with Austin Moser that was done below Rock Island Dam. Much of what Austin does on the Columbia River down here will translate into fishing for sturgeon in other areas. When you are on my YouTube channel, check out the videos I have done on the Grant County PUD's Recreations Areas. I just made some of these public so you can learn about these access sites along the Columbia River. This week's photo was taken below Priest Rapids Dam a few years ago.

Also, I will be writing and distributing my free E-Letter for Fall shortly. I will be talking about the Hanford Reach salmon fishing in this issue. There will be Google maps of some of the most popular fishing areas and some information on how to rig and what to use to catch these upriver bright salmon. To make sure you get a copy of the free E-Letter, go to my website at [www.FishingMagician.com](http://www.FishingMagician.com) and click on the Free E-Letter button at the top left of the Home Page. I will make sure you get on the list.

Fall salmon are making their way up the Columbia River and fishing in the Hanford Reach is about to take off. This fishery is probably the biggest

one on the east side of the mountains. Hundreds of anglers will be out chasing them every day. Along with the fall run Chinook there are coho salmon passing through the dams and many of them will be headed for the Icicle River here in Leavenworth. This has become a regular thing in recent years. I had my doubts about the quality of these fish, but after catching some I changed my mind. They are not only fun to catch, the table quality, in the early part of the season, is excellent. Looking back at some photos I have taken of coho fishing on the Icicle, the fishing usually takes place a little later this month. It may occur later than usual

with the very low water we're seeing in our area streams. Over 900 coho have passed over Rock Island Dam but haven't shown up in Icicle yet.

The most popular method of catching coho in the Icicle is with jigs, and I would stock up now before they are all gone from the shelves at local sporting goods stores. There are “twitching” jigs made especially for coho fishing, but they are usually made for bigger rivers than the Icicle and are very heavy. I caught my first coho on a Macks Lures Rock Dancer jig, in a light weight. I usually trim the deer hair back a bit on these jigs. I will keep you posted on the opening of the Icicle for coho fishing.

Since 1991 the Wenatchee River Salmon Festival has hosted thousands of third and fourth grade students for two days of “edutainment”. A term for educational activities to learn about our natural world, celebrate the return of salmon to the Wenatchee River and the importance of salmon to the people of the Northwest. The event was previously held at the National Fish Hatchery in

Leavenworth, and attracted thousands of visitors when it was opened to the public. The Community Day is back for the first time since 2019, and on Saturday, September 23rd families are invited to come to the Rocky Reach Dam Park and Discovery Center to take part in the free festival. There is a long list of hands-on activities that the kids will enjoy, and other activities throughout the day. There is live entertainment scheduled and two appearances by the Reptile Lady that is always a big hit. There is absolutely nothing that compares with Salmon Fest as a family event and it's all free. Please visit the website at [www.rockyreachdam.com](http://www.rockyreachdam.com).

SalmonFest.org to see the incredible range of things to do. A big thank you to Chelan County PUD, for helping stage the festival, and all the volunteers and agencies that help make it possible.

While fall salmon attract a great deal of attention this time of year, there are some other fisheries that bloom. Walleye fishing can be excellent in the fall, and I have had some amazing days on Banks Lake and Potholes Reservoir can really light up when the weather cools.

Last fall the walleye bite was terrific on Potholes, and I am already getting some good reports. Many anglers are saying they could be getting more walleye, but they are catching a lot of smallmouth and largemouth bass, big bluegill, crappie and really big rainbow trout when trolling their spinners and crawlers.

Trout fishing can also be great as the weather cools. Jameson Lake continues to be a fall favorite with trout anglers. Most anglers don't consider fishing Burke and Quincy lakes this time of year, but they can be surprisingly good. Remember, many of the lakes in the Columbia Basin close at the end of the month.

## STATELINE SPEEDWAY 2023 CHAMPIONS NAMED IN 12 CLASSES

POST FALLS, Idaho — Over the past two weeks and in three nights of racing, Stateline Speedway has crowned its 2023 champions.

Hayden's Jeff Bird never won a feature race in 2023 but his five top-five finishes in Freedom Modifieds gave him the nine-points edge (361-352) over nephew Lucas out of Electric City, Wash. on Sept. 16.

Frank Varner of Spokane also had a close finish — just nine points (442-433) — in his Johnson Surveying Hobby Stocks championship win over Bart Hector Jr. from Ephrata in racing on Sept. 9.

Cara Tarr out of Spokane was the V6 Claimers class over Colbert's Donnie Allen is a close battle as just 14 points (402-388) separated the top two. Tarr's consistency — six top five finishes and a main event win in as many races — paved the way to the title.

Alex Mandere from Spokane won the championship in the Rayce Rudeen Legends by 15 points (409-394) over Marissa Sawin from Snohomish, Wash.

Chad Broom finished in the top-five in all six races, winning three in the Eljay Oil Nostalgia Modifieds and topped another Spokane driver, Frankie Volz, Jr. by 16 points (461-445).

Spokane's Reesen Tarr ended with just a 13-point edge (480-467) over James Cotter from Priest River in Goins Bump-to-Pass, winning three races and finishing in the top-five in all six events.

TJ Sneva, son of the late Jerry Sneva and part of Spokane's famous family of racing won his final feature on Sept. 16 en route to the 2023 title. He ended with a 30-point edge (447-417) over Colville's Chris Ochs and won five of six main events.

Jared Storer from Spokane collected the Impel Roadrunners championship with relative ease over Spokane Valley's Keaten Tarr. Three wins and seven top-fives in eight races provided Storer his 63 point (568-505) margin.

It was a battle between Othello, Wash. drivers James Herreid and John Brueher in Motion Auto Supply Early

Stocks. Herreid's five wins in seven races gave the champ an 83-point (685-602) margin.

KC Garber is part of another well-known Spokane-area racing family. His 95-point victory (659-564) in Park Model Homes Fever 4s came on the strength of five victories and top-five finishes in all nine races.

Nick Gibson had to work extra hard to win the Stateline Racecars Pro Late Model championship needing a 900-mile round trip each time from his Nampa, Idaho base. The 2023 Idaho 200 winner had four feature wins in six races in building a 114-point margin (638-524) for the crown.

Spokane's Carsyn Murphy ran away with the Angel's Bail Bonds Bandolero's as 12 wins in 16 races propelled him to a 163-point margin (1,177-1,014) over Maddex Clanton from Rathdrum, Idaho.

The Northwest Figure 8s lone visit to Stateline produced a victory for Snohomish, Wash. Damon Claibourn who won a close 80-75 win over fellow West-sider, Peyton Hopp from Monroe.

Final details on the date and site of the Stateline Speedway banquet are still being finalized.

*Nampa, Idaho's Nick Gibson not only won the 2023 Idaho 200 but traveled 900 miles round trip to compete in and win the Racecars Pro Late Model championship at Stateline Speedway.*

## 15-YEAR-OLD EVAN GOETZ WINS AT WENATCHEE

The youth movement in the Northwest Super Late Models prevailed again as Evan Goetz, 15, from Okanogan, Wash. won the Neal Newberry 125, Sept. 16 at the Wenatchee Valley Super Oval.

Goetz finished 2.6 seconds ahead of Haeden Plybon, 19, Spokane and Tayler Riddle out of Naches, Wash. on the quarter-mile oval in a field of 19 cars.

With one race remaining in 2023, the Oct. 1 Fall Classic at Tri City Raceway in West Richland, Wash. Plybon has all but clinched this season's championship.

*The top finishers at the Neal Newberry 125 Sept. 16 at Wenatchee included (L-R) Haeden Plybon (second), Evan Goetz (first) and Tayler Riddle (third).*

## DOUG KALITTA REACHES 50-WIN PLATEAU IN TOP FUEL

Top Fuel's Doug Kalitta picked up his milestone 50th career win Sept. 18 at Maple Grove Raceway, earning his first victory in nearly three years after driving past Steve Torrence in the final round of the 38th annual Pep Boys NHRA Nationals, the first race in the NHRA Countdown to the Championship playoffs.

Robert Hight (Funny Car), Matt Hartford (Pro Stock) and Matt Smith (Pro Stock Motorcycle) also won the 16th of 21 races during the 2023 NHRA Camping World Drag Racing Series season, and the first of six events in the Countdown to the Championship playoffs. The points lead changed hands in every class this weekend as well, with three of the four winners (Hight, Hartford and Smith) taking over the top spot.

## September GARDENING TIPS

Master Gardeners of Spokane County

### PLANTING & DIVIDING

Plant spring-flowering bulbs. The rule of thumb is to plant bulbs 2.5 times deeper than they are wide. You can plant and transplant trees and shrubs as well as dig & divide perennial herbs and flowers.

### GARDEN MAINTENANCE

To protect tender plants from the damage of early frost and extend the harvest for veggies, cover beds with burlap, boxes, blankets or even newspaper! Prune shrubs and vines to allow airflow in the winter.

### LAWN & GRASS

The first 2 weeks are an excellent time to put in a new lawn. Cool weather with rainfall is ideal for grass seeds to germinate and become established. This is also a good time to core aerate existing lawns.

### FIREWOOD PREP

Green firewood can harbor beetles that pose threats to garden trees. Eliminate beetles by piling wood into stacks no larger than 4x4x4. Cover with clear plastic or bury the edges and tape the seams.

## NOXIOUS WEEDS

**What is a Noxious Weed?** They are non-native plants that have been introduced to Spokane County through human actions. Because of their aggressive growth and lack of natural enemies, these species can be destructive, competitive, and difficult to control.

## HOUNDSTONGUE

## HOUNDSTONGUE

(*CYNOGLOSSUM OFFICINALE*)

A toxic perennial weed that grows 1-4ft tall. Leaves have a distinct vein and are 1ft long by 3in wide. Stems and leaves have silvery hairs. Blossoms are reddish purple with 5 lobes, growing on the upper leaf axils. This weed is taprooted and self pollinating and reproduces by seed. Rounded, triangular seeds are covered with short velcro like prickles. Pulling and digging can be effective for removal. Sever below the root crown or completely remove root. Velcro like seeds will cling to fabrics and furs. Spraying can be effective in the rosette stage.
