Ted Golightly Weeks April 19, 1965 - October 4, 2023

Ted Golightly Weeks, 58, was born on April 19, 1965, to Bobbie and LuAnn (Golightly) Weeks in Preston, Idaho. Loving husband, father, brother, son and friend, passed away on Wednesday, Oct. 4, 2023, at Kootenai Medical Center in Coeur d'Alene, surrounded by his loving wife,

son, daughter, family and friends, following a sudden and debilitating stroke.

Ted was raised in Weston, Idaho, where hunting, fishing, working on the farm, riding dirt bikes and playing sports were the best parts of life. Following his graduation from Westside High School in 1983, Ted worked at Bourns Network and Weathershield Windows all while attending Utah State University for a short time, before marrying the love of his life, Tiffany (Gilbert) in the Logan Utah Temple. He later graduated from Idaho State University where he studied Criminal Justice and Law Enforcement. This love of law enforcement brought him and his young family to Kamiah in 1991, where Ted and Tiffany made their home, with Ted working as a police officer for Kamiah Marshal's Office until 2003.

After his career in law enforcement, Ted started his own janitorial business with his wife, TrnT Works, LLC in 2003. In 2008, Ted began his career as an auctioneer actively running Ted's Valley Auction. He also proudly served as a captain of the local volunteer fire department, and was generally a jack of all trades. Ted was an active member of the Church of Jesus Christ of Latter-day Saints where he held many callings (scout master, young men's leader, counselor in bishopric, elder's quorum president, ward mission leader / missionary, facilities representative and many others). Also, he worked in the local schools as a D.A.R.E officer, PTO president and football/ softball coach. Ted was a friend to all he met. His pastime was spent developing a love for Dutch oven cooking, playing card games, and most of all spending time with family and friends in the great outdoors. If you were looking for Ted, and he was not working, he could be found hunting, camping, fishing, floating the river, or just sitting around a campfire at home or with the Camp Creek Bunch. Ted loved to work and play equally as hard. Ted was someone you could always rely and depend on. He loved to help other people. He loved to tell jokes and make everyone smile.

Ted is survived by his wife Tiffany, children Teresa Weeks and Tyson (Nicole) Weeks, beloved grand dogs Nestle and Axle, his adopted children Mitch (Samantha) Holman, Heather (Aric) Anderson and adopted grandchildren Paisley and Averie. Ted had many other adopted children over the years that were so special to him. Furthermore, he is survived by his mother Luann Weeks, adopted mom Sherlee Hawkins, and siblings Gary (Adele) Weeks, Eddie (Wendy) Weeks, Darla (Chris) Coburn, Sharon (Jason) Mercier, Robert (Shalyce) Weeks, Marie (Patrick) Klomp. He also leaves behind a loving legacy of nieces and nephews. Ted was preceded in death by his father, grandparents, mother and father-in-law, family dog (Sugar) and friends.

Blackmer Funeral Home of Grangeville, was in charge of arrangements & funeral Services were already held on Saturday, October 14.

We sincerely appreciate all the love and support shown to our family during this difficult time. We hope that you will continue Ted's legacy of serving others and showing Christlike love.

Dave Jayne
"The Outdoor Insider"

I made my first trip of the year to Omak Lake, and it makes me wonder why it took me so long. After a couple of tough fishing outings recently with not a lot of action, it was terrific to have a busy day on the water.

I fished Potholes Reservoir with two guys, and we only landed three walleye. I didn't land a single fish, and I can't remember when I fished Potholes and didn't get at least one walleye. Then I made a trip to Moses Lake to try for big perch and that was pretty much a bust. I was ready to do some catching.

I had scheduled a trip to Omak Lake, and it came together last Thursday and Friday. We had excellent conditions to fish for Lahontan cutthroat. I picked up Buell Hawkins and Greg Meinzer in Wenatchee and we arrived at the lake after a two hour drive. I need to tell you that the launch on Beer Can Beach is very rough, but I was able to launch my 20 foot Smoker Craft. Don't try this without 4-wheel drive. We drove down to the south end of the lake, and when we arrived, there were fish dimpling the surface all around us, and the screen on the fish finder was full of fish. I put two of my favorite plugs out on downriggers at 70 and 80 feet deep, and flatlined an M2 Flatfish on one rod out the back and a Coho Killer on the other. This week's photo is of me and Buell on Omak Lake.

When the fish started biting we were busy. We had doubles and triples, and we were having a blast. We fished three and half hours Thursday afternoon and when we hit 30 fish on the counter we headed for the launch. On Friday we fished for another three hours and landed 43. I put a Coyote spoon on one of the rods and tried some different plugs and found a large Bandit deadly. We measured several fish and found they averaged 18 inches.

I want to remind you that Omak Lake is a Colville Reservation Lake and requires a Tribal Access permit and fishing license and launch permit. I buy an annual Access Permit and fishing license every year, because it is like have a membership to a private fishing club. You can buy a one-day Access Permit and fishing license. All licenses and

permits are available on line. This is the link to the Colville Fish and Wildlife License and Permits page: <https://Colville.nagfa.net/online/>.

I got a photo from Mike McKee showing a catch of perch on Moses Lake that was amazing. He and Joe Moriarty were trolling for walleye at the south end of the lake and came across some whopper perch. Mike threw out a marker and then put his boat on Stop Lock with his bow mount and they went to work. They changed from chunks of worm to pieces of perch meat and landed their limits in a couple of hours. The

perch they kept ranged in size from 9 to 13 inches. I immediately begged a ride to their hot spot and joined them on Sunday. We launched at Peninsula Park and ran down to the outlet. All we caught were small smallmouth bass. We searched all over but couldn't find the schools of perch that they fished on the last trip. We looked all the way up to the I-90 Bridge and finally put a few in the boat on the north side of the bridge. This is a perfect example of "should have been there yesterday", and when you want to show someone some great fishing the fish just don't cooperate.

I have checking on the Icicle River almost daily. We had some rain in the past week, and I was hoping to see some coho showing up. Finally, last Saturday when I pulled into the access area off

East Leavenworth Road below the National Fish Hatchery, I saw some other rigs parked there. There were people fishing off the handicapped platform and others on the trail above it. The anglers hadn't had any luck, but they had seen fish in the river. Rain continues to fall in Leavenworth, off and on, and although the river hasn't come up significantly, it has risen enough to pull coho in. Over 13,000 coho have passed over Rock Island Dam and only 6,200 over Rocky Reach, so there should be a bunch of fish moving up the Wenatchee to the Icicle very soon.

The limit is two coho per day this season, and no bait or scent is allowed. Most people cast twitching jigs, and I would use a very light weight jig right now. Black, or black and purple are favorites. Blue Fox spinners will also work for aggressive coho.

My next fishing trip will most likely be to Lake Chelan. I have heard some reports of really good fishing for kokanee going on right now. Not only are kokanee being caught in limit numbers, they are running bigger than other years. Most of the fish are 12 to 14 inches, with a good number of them in the 14 inch category. A couple of good areas to look for kokanee is off the Blue Roofs, on the south side of the lake in the lower basin. There are some big schools of fish being marked here. I have also heard that the area up lake from Manson Bay off Willow Point is another good spot to look for kokanee.

I have had some great days in the fall on Lake Chelan fishing for kokanee in the past. I will run the Copper Series Kokabow blades and will start with the copper and orange color, but experiment. I will run an orange hoochie behind the blade with a 14 to 16 inch leader this time of year. Another favorite of mine is the Ravisher spinner. I always bait my hooks with white shoepeg corn and douse the corn with Graybills Guide formula Kokanee or Kraw Anise flavors.

There is some good fishing available on area lakes now, too, and many of them close at the end of October. Man, there is a lot to do. I hope to see you out there!

ADORABLE MIXED BREED PUPPIES

Meet the "Dwarf Litter" from Furry Farm Rescue. Mama Snow is a raven haired beauty with a super sweet personality, she was found in the woods with her litter of seven, 5 males & 2 females & we named them Dopey, Sneezzy, Grumpy, Bashful, Happy, Sleepy & Doc! They all look a little different, & all have sweet personalities & are confident! We believe they were born around August 1. Before adoption, they will be given all their shots, dewormed, spayed or neutered & microchipped, adoption fee is \$275. Our process with puppies is a little different, we collect applications & then have you come meet all the pups. Then we work with you on placement based on your needs & each puppy's temperament. All our puppy contracts contain an agreement to attend Puppy Kindergarten & Basic Obedience classes. Puppies will go home with a collar, food, & a favorite blanket/toy! Please go to our website, www.TheFurryFarm-Rescue.org to see more pictures of the puppies & Mama Snow, & complete an online application. Thank you! #adopt-dontshop

CHAMPION PROFILE

ROSCO SMIDT • Junior 1 Briggs 206

Rosco Smidt age 10 has been racing since he was 5 years old.

In 2021, in his final year of kid kart, he had an undefeated year with the Spokane Kart Racing Association, winning all ten races.

He currently holds the kid kart track record at SKRA, breaking it twice in 2021. Rosco has won the SKRA Championship for three years in a row (2021-kid kart, 2022-JR1, and 2023-JR1).

This is his second year racing in the regional series, Padholder, where he was able to take 5th place. This year, he got a new race factory kart and raced for Midnight Motorsports, getting tremendous knowledge and support from all his coaches.

He was homeschooled for 2nd and 3rd grade, started at-

tending public school again in 4th grade, and is currently in 5th grade in Post Falls School District.

His hobbies are racing. Anything and everything race related, he loves! After school, he likes to go bike riding with his friends.

Rosco has two younger siblings, Rylee who is 8 and Ryatt who is 7. They both are racing as well, and when we are at the track, Rosco is by their side, helping coach them to be better racers.

CHAMPION PROFILE

NICK GIBSON • Racecals Late Models

Nick Gibson might have gotten extra consideration winning the 2023 Stateline Speedway Racecals Late Model championship when you know he would commute about 700 miles to race.

The Nampa, Idaho racer had quite the year at Stateline in 2023 winning four of six races and landed in the top-5 in another.

Oh, and add to that he was the 2023 Idaho 200 champion!

Gibson ran super late models in the Rocky Mountain Challenge Series from 2006 to 2008 then took a 12-year break working on his business. Last year was his first year traveling the Northwest.

The 36-year-old owns a diesel repair shop in Nampa Idaho. He has a 9-year-old son and 3-year-old daughter. "When I'm not racing, I like boating, shooting sporting clays, hunting and camping with my family," Gibson wrote in a text message.

Sponsors are Karcher Auto Body, Cristiani Motorsports, Rent Rite, Gibson Diesel Performance and Pathfinder Chassis.

Remembering TOBY COMBS

Medical Lake resident and long-time racer and car buff, Toby Combs, was honored at halftime ceremonies during the high school Homecoming celebration Oct. 13. Combs' cherished 1964 Pontiac Catalina 2+2 led the parade of custom cars that carried Homecoming royalty. Combs passed away September 21, 2023, at 66 years old.

Paul Delaney has been writing about Motorsports in the Pacific Northwest since 1976. He welcomes learning about your racing accomplishments.
