WEEKLY Horoscopes for Nov 2 - 8

ARIES – Mar 21/Apr 20

Play to your strengths to reach your goals, Aries. You do not have to change much about yourself to get ahead. In fact, people will appreciate you being honest about who you are.

TAURUS – Apr 21/May 21

Taurus, do not worry about being passionate about what you do. If you weren't this passionate, you may not be able to persuade others to listen up and follow your suggestions.

GEMINI – May 22/Jun 21

Gemini, you may not have had the entire story, but you certainly will get it this week. It's up to you to make up your mind how you want to act on the information you gather.

CANCER – Jun 22/Jul 22

For some reason you are really interested in a friend or family member's behavior and comings and goings, Cancer. Are you having trust issues? Give them the benefit of the doubt.

LEO – Jul 23/Aug 23

Leo, this week's cosmic energy could see you pushing some boundaries. It's fine to take risks as long as you have someone to pull you back if you go a bit too far.

VIRGO – Aug 24/Sept 22

A romantic adventure may prove the catalyst for change in your life, Virgo. Many exciting prospects are ahead if you allow yourself to get swept along in the momentum of your feelings.

LIBRA – Sept 23/Oct 23

Unchecked anxiety can lead you down a slippery slope, Libra. It's not easy facing new situations, but worrying about things before it is necessary will not do right now.

SCORPIO – Oct 24/Nov 22

Scorpio, you are no stranger to psychic feelings. This week you know what a loved one is thinking and want to help this person out in any way you can.

SAGITTARIUS – Nov 23/Dec 21

Sagittarius, you cannot control the world or others' behaviors. All you can do is control how you react to situations. Don't be side-tracked by noisy distractions in the days ahead.

CAPRICORN – Dec 22/Jan 20

Capricorn, you have been making pleasure and play time your priority of late. It's now time to get down to business. Own up to your responsibilities.

AQUARIUS – Jan 21/Feb 18

Unraveling old patterns or actions will be good for you right now, Aquarius. If you can't do it on your own, work with a friend or therapist to get to the root of any issues.

PISCES – Feb 19/Mar 20

Pisces, think about collaborating with others to bring out the best in yourself. In fact, you might find any group activity transformative. Don't shy away from these ventures.

DOG OF THE WEEK

Hey, I'm **Lucky!** I'm a big girl (80lbs), but don't let that fool you! I'm very gentle and love all of my friends. It seems that I do get very over excited with other dogs and seem to be too rough with them. It will be required that I am your only pet in the home. I enjoy hanging out with my friends, being outside, and treats! Due to my size, it will be required that I go to a home with a fully fenced yard.

Please contact **Kootenai Humane Society** at 208-772-4019 or visit our website at www.CompanionsAnimalCenter.org

PLEASE SPAY OR NEUTER YOUR PETS!

NOXIOUS WEEDS

What is a Noxious Weed? They are non-native plants that have been introduced to Spokane County through human actions. Because of their aggressive growth and lack of natural enemies, these species can be destructive, competitive, and difficult to control.

COMMON MULLEIN

COMMON MULLEIN (*VERBASCUM THAPUS*)

This plant develops rosette in its first year then sends up a tall, flowering stalk the second year. Grows over 6ft tall and is covered in dense, wooly hair. Leaves are elliptic to ovate and opposite on the stem. Flowers are 5 lobed and yellow, growing in long, terminal spikes. Taprooted; spreads by seed. Plants are easily pulled due to the shallow taproot. Tilling will kill the plant, but may expose buried seeds for germination. Spraying is most effective in the first year rosette stage. Livestock will not eat due to its wooliness.

Dave Douglas
"The Outdoor Insider"

I usually start fishing at Brandts in December, and I think I will stick to that plan this year. I would probably have better luck fishing from shore at Spring Canyon or Keller for trout on Lake Roosevelt. If I hit it on the right day I have caught a limit of them that measure 16 to 21 inches. These are triploids, too, and are great for smoking.

Snowplow Safety

Don't assume a snowplow driver can see you!

Don't crowd or pass a snowplow!

Plows can push snow and spread material in either direction - so avoid passing whenever possible. If you must pass, try to be two lanes apart and use caution.

Increase your following distance!

Beware of flying snow, spray and material.

Avoid blind spots!

A plow driver's field of vision is limited.

Drive slowly!

Be smart. Be patient. A plow will pull over and let vehicles pass when safe.

Know before you go!

November GARDENING TIPS

Master Gardeners of Spokane County

TOOLS

This is a good time to clean your hand tools. Remove all dirt and rust from the metal, sand and repaint wooden handles. Store in a dry location for the winter.

BULBS

As long as the ground has not frozen, you can plant spring bulbs directly into the garden. Follow instructions on bulb packaging for depth of planting & provide a mulch cover over the top of newly planted bulbs to prevent heaving.

TREES & SHRUBS

Continue to water your trees and shrubs until the ground freezes. Tie up or trim back branches of loosely branched Evergreens. Pull mulch away from trunks to prevent rodents from hiding and eating the bark.

HOUSEPLANTS

Check plants that have summered outside for pests frequently. Reduce your rate of watering to allow for slower growth and do not fertilize until spring. Plant forced bulbs (paperwhites, amaryllis) now for winter interest.

CHAMPION PROFILE

DYLAN ALMEIDA

Qlispe Raceway 2023 Bike & Sled champion

Suffice to say that drag racing is in the gene pool for Dylan Almeida, and, perhaps, some of what might have vaulted him to the top of the point standings at Qlispe Raceway Park's (formerly Spokane Raceway/Spokane Co. Raceway) Bike & Sled class in 2023.

Almeida finished just 14 points ahead of Donna Browne and 26 ahead of Joel Lesine.

"I told myself I wasn't going to race this year and focus on doing more, but we see how that worked out," Almeida wrote in an email.

His grandfather, the late Jim "Sugar Bear" Clark, was a longtime bracket racer at the track. "I wanna' thank my Grandpa (Sugar Bear) for getting me into the sport at a young age," Almeida said.

Almeida also thanks his mother, Jennifer Jones, "For letting me skip school to go racing and making all of my team shirts. Shoutout to JJ American Design."

Almeida raced for West Valley in the high school class when he was 16. "I have plenty of trophies from it, even a

"Wally" but never a championship always second place in the final points standings," he added.

A Wally is the trophy named for NHRA founder Wally Parks and is awarded at many tracks and events.

Almeida started racing motorcycles in Walla Walla three years ago but admits he "Never did any good, I struggled with a hand clutch and couldn't get better than a .100 reaction time."

"This year I really worked on not being fast and just being as consistent as possible, and that seemed to work pretty good. I'll be back next year to try again!"

Almeida offers a lengthy list of people he said have contributed to his love of and success in the sport of drag racing, including "My Brother, Devin Clark, for giving me grey hairs at a young age."

Thanks also to Brian Jennen and Jolene Chambers for taking him all over the northwest and letting him race the "smart car."

Bruce and Merri Nickerson have also adopted me, he said. Thanks to the Cooper Family "For letting an annoying little kid hang out and learn from. I'm sure I'm missing tons as there are so many people I consider family at the race track. But that's why I call it home."

What does Almeida do other than racing?

"I love to DJ because there's nothing better than when the crowds jumping and the music's bumping," he said. "Other than that I enjoy concerts, music festivals, stuff like that."

A BOAT OUT OF WATER

One of the top inboard hydroplanes in the nation, Mr. Jiggs, driven by Josh Harnack, was quite an attention getter recently. The boat took part in a trunk-or-treat event at Ron's Drive-In in Spokane Valley that attracted over 900 people.

Mr. Jiggs competes in the National Modified Inboard Hydroplane class in Region 10 of the American Power Boat Association. It is named in honor of Josh's great-grandfather's World War I bomber squadron. The boat has won a national championship and also set two world speed records, one in competition and the other straightaway at a speed of 156 mph plus over the quarter mile kilo.

"Kids there never saw anything like it; it was really fun," said Josh's dad, Brent Harnack, himself a former driver.

How to Attract More Buyers

SECRET TIPS FROM THE PROS

These tips will help you convince buyers your property offers top value for their dollar.

☐ Amp up Curb Appeal

Look at your home objectively from the street. Check the condition of the landscaping, paint, roof, shutters, front door, knocker, windows, and house number. Observe how your window treatments look from the outside. Something special — such as big flowerpots or an antique bench — can help your property stand out after a long day of house hunting.

☐ Enrich with Color

Paint is cheap, but it can make a big impression. The shade doesn't have to be white or beige, but stay away from jarring pinks, oranges, and purples. Soft yellows and pale greens say "welcome," lead the eye from room to room, and flatter skin tones. Tint ceilings in a lighter shade.

☐ Upgrade the Kitchen and Bathrooms

These are make-or-break rooms. Make sure they're squeaky clean and clutter-free, and update the pulls, sinks, and faucets. In a kitchen, add one cool appliance, such as an espresso maker.

☐ Add Old-World Patina to Walls

Crown molding that's at least six to nine inches deep and proportional to the room's size can add great detail on a budget. For ceilings nine feet high or higher, consider dentil detailing, which is comprised of small, tooth-shaped blocks in a repeating ornamentation.

☐ Screen Hardwood Floors

Refinishing is costly, messy, and time-consuming, so consider screening instead. This entails a light sanding — not a full stripping of color or polyurethane — then a coat of finish.

☐ Clean Out and Organize Closets

Remove anything you don't need or haven't worn in a while. Closets should only be half-full so buyers can visualize fitting their stuff in.

☐ Update Window Treatments

Buyers want light and views, not dated, heavy drapes. To diffuse light and add privacy, consider energy-efficient shades and blinds.

☐ Hire a Home Inspector

Do a preemptive strike to find and fix problems before you sell your home. Then you can show receipts to buyers, demonstrating your detailed care for their future home.
