CHRISTMAS WISHES to our HEROES OVERSEAS INC.

★★★★★★★★

Non-Profit Organization in Service to our Troops

A Non-Profit Organization in service to our Troops since 2013 - 100% Goes to Our Heroes! WE SUPPORT OUR TROOPS!

WHO WE ARE

- ★ We fundraise and send Christmas care packages to Our soldiers overseas for the holidays, and to a lesser extent needed requested items year 'round!
- ★ We can't forget our Heroes and need your support!
- ★ We learned over the years that we can help more than double the number of soldiers with a better volume of products if we send orders via direct online with free shipping to the APO Addresses because of the higher shipping costs at the USPS for international shipping.
- ★ If you have a loved one serving overseas, e-mail us their information so we can get Care Packages to them first. **We will serve Local Heroes first!**

Now Collecting Items for CHRISTMAS 2023!

- ★ Due to the delay in international shipping, we will have our open Event this Year as early as Nov. 19th and 20th from 2pm until 6pm

"The Outdoor Insider"

I just barely beat the storm to get my boat moved from Leavenworth to its place to wait out winter till the spring. I will be doing a lot of fishing from the shore or getting rides from friends until things thaw out. I have a pretty good list of things to do this winter, so let the fun begin!

Checking back on my photos taken a year ago, I found one that was taken at the middle net pens on Rufus Woods Reservoir. It showed Austin Moser and Randy Sykes, on Austin's boat on his first trip to Rufus last year. Austin will often invite me on exploratory missions, and he wanted to see if the fishing for triploids was good enough to book some trips. Yup, we caught some really nice fish. He had Randy and I try a couple of things, like fishing bait on the bottom, but what worked the best was casting olive-colored jigs. The fish loved them, and we were able to get our limits pretty quickly when we switched to this method. Austin booked a bunch of trips to Rufus last season and caught some real monsters. He had a great time catching walleye on Rufus, too.

Thanks to Austin, Eric Grans-trom, Rollie Schmitt, and I caught our triploids on olive jigs on Rufus Woods at the middle net pens last April. It was amazing that the huge triploid that Eric landed was taken on an 1/8th ounce jig. I know that casting jigs along the shore is one of my brother Rick's favorite ways to catch triploids on Rufus. Not only is it effective and fun, but anglers can also release the smaller fish. When using bait all fish landed count toward your limit, whether kept or not. I hope I can get up to Rufus soon. This week's photo is of Austin and Randy Sykes with the first limit of triploids take from Austin's boat last December.

I had a great conversation with Jill Phillips, with the Colville Tribe's Fish and Wildlife Department. I had left a message asking if she knew where all the small trout that were being caught in Rufus Woods were coming from. She said the tribe hadn't released any fish for months and she doubted they came from the commercial net pens on Rufus. Most likely they were coming downstream from Lake Roosevelt. They may have released rainbow from some of the

net pens they operate up there.

She did say that there would be a release of bigger trout by the Colville Tribe sometime in February. These should be 4 to 5 pounds and they will be put in at Seatons Grove and above Chief Joseph Dam in Bridgeport. This should give anglers something to look forward to this winter. Also, she said they plan on releasing the same number of triploids into Rufus Woods as usual next year, which is 45 to 50 thousand fish.

I mentioned my great trips to Omak Lake this year, and she told me a fish that could have been the new state record was taken there last spring.

Going by the length and girth measurement provided by the lucky angler, the Lahontan cutthroat probably weighed over 18 pounds, and would have beat the current record. It was taken during the catch and release part of the fishing season on Omak Lake, so the fish was released and didn't make it to a certified scale.

The weather in Leavenworth has been awful. We got buried in snow and the forecast is for rain. So, my first project is to get all the snow and water off the cover of my boat, and make sure it is drained. My next project is to load my smoker with a new batch of sockeye. We have family from Anaconda, Montana here, and I want to send them home

with some smoked sockeye. I also want to make up some of my salmon spread to enjoy while they are here.

I used to just hand out chunks of smoked fish, and then I started making the salmon spread. People love it so I make sure my family members get some for the Holidays. It's very simple to make. All you need, aside from the smoked fish, is some cream cheese and dill. I crumble up the fish, and here's an important trick. I put the cream cheese in the microwave for three minutes, then it is very easy to mix with the fish and dill. I put it into those 9.5 ounce containers after they have cooled, and into the fridge. You can microwave the containers for a minute before serving to make the mixture more "spreadable".

Right after the Holidays the annual RV, boat and sportsmen's shows begin. These shows are very popular, as everything that is new for the coming year is on display, and there are usually "show special" pricing available to those who attend. In Washington State, they begin with the Tacoma RV Show, that takes place at the Tacoma Dome on January 18th through the 21st. This is followed by Tri-Cities Sportsmen Show at the HAPO Center in Pasco. It starts on January 26th and runs through the 28th. The biggest sportsman's show in the state is the Washington Sportsmen's Show. It is held at the Washington State Fair Events Center in Puyallup. It begins on January 31st and stays open through February 4th. Overlapping with the show in Puyallup is the Seattle Boat Show. It's scheduled from February 2nd through the 10th. The main show is at Lumen Field Event Center and Bell Harbor Marina.

There is a lot going on at all of these shows and I will provide you with more information as the opening dates get closer. I have attended most of these shows and have enjoyed them all. When I am not on the "show circuit" I will be out chasing kokanee on Lake Chelan, big trout on Rufus Woods and Lake Roosevelt and when the area lakes freeze, trying my luck for a variety of species through the ice!

DOG OF THE WEEK

Meet **Turvey!** Turvey is a shy young lady looking for a life where she doesn't have to do anything too brave. She loves people, but prefers to be in small groups as she can get scared by too many noises. Turvey would do well in any home with the right amount of love, and could learn to come out of her shell. Upon your first meeting, don't let that shy exterior fool you. She should be the only dog.

NW MOTORSPORTS

DECEMBER 15, 2023 Report

"Going fast is your job...telling people about it is ours...!"

Thanks to the Exchange for helping continue the four-decade tradition of delivering weekly motorsports news to the Inland Northwest!

RACE PROMOTER POLLOCK PASSES AWAY

Jim Hausske photo courtesy of Doug Pace

motor-sports journalist Doug Pace writes in a text message. "Many great promoter/managers in racing worked for Ted including Ron Bennett, Dennis Williams and Doug Beteral."

Ted Pollock, one of the premier auto racing promoters in the Pacific Northwest, passed away Dec. 8 in Vancouver, Wash.

Pollock, in his late 80s when he died, was the former owner-operator of Yakima Speedway until it was sold in 2021 and torn down, paving the way for industrial development.

"He had a hand in Yakima Speedway for 60-plus years", motor-

Wayne Walden, who promoted Tri City Raceway in the 1970's and 80's wrote in a Facebook post, "Ted was a great friend and helped me so much when I was operating TCR. We worked great together sharing classes of race cars, he was so knowledgeable of the promotion of a racetrack."

Details for any memorial or funeral service were not available at deadline time.

SPOKANE FAIRGROUNDS INDOOR SERIES

The Spokane Fair and Expo Center is home once again this winter to the Indoor Flat Track Series.

Six more dates remain and include Dec. 16, 17 in 2023 and Jan. 13, 14 and Feb. 3, 4 in 2024.

"Santa will be handing out the trophies this weekend," promoter Paul Morgan wrote in an email.

Racing includes karts, quads, bikes with kids classes and more. General admission is \$20, military, seniors and kids 7-12 \$10.

More information can be found by visiting www.spokane-speedway.com or on Facebook and Instagram. Also contact Morgan at (630) 217-9132 or email pfmsw@outlook.com.

Paul Delaney has been writing about Motorsports in the Pacific Northwest since 1976. He welcomes learning about your racing accomplishments.
