WEEKLY Horoscopes for April 18-April 24

ARIES – Mar 21/Apr 20

You can get your spark back with some help from friends, Aries. You may have been struggling in one form or another, but others can provide the perspective needed.

TAURUS – Apr 21/May 21

Taurus, you are a dependable rock and that comes with a lot of responsibility. Sometimes you may feel overwhelmed, and in those instances feel free to delegate some tasks.

GEMINI – May 22/Jun 21

Too much joking around may strike a nerve of someone close to you, Gemini. Feel out every situation before you start communicating in such a laid back and jovial way.

CANCER – Jun 22/Jul 22

Cancer, like it or not, you have to stand by a promise or a commitment you made to someone, even if you no longer feel like doing so. Once it is finished, you can go your separate ways.

LEO – Jul 23/Aug 23

Leo, if others have underestimated you or written you off in the past, you will have an opportunity to prove them wrong this week, even if you already know the truth.

VIRGO – Aug 24/Sept 22

Your keen eye for detail has you pointing out a mistake that may have cost someone a lot of money, Virgo. Your reward could be a promotion or another commendation.

LIBRA – Sept 23/Oct 23

Making room for your needs right now is challenging as others seem to require all of the attention, Libra. You will have a chance to balance the scales soon enough.

SCORPIO – Oct 24/Nov 22

Right now you may be reluctant to commit or comment on an issue that is affecting some in your circle, Scorpio. You can get involved once you dig further and do your own research.

SAGITTARIUS – Nov 23/Dec 21

Sagittarius, when you hang out with friends, you may be tempted to spend more than is in your budget at the moment. Set a limit, and perhaps leave your credit cards at home.

CAPRICORN – Dec 22/Jan 20

Capricorn, you are ready to move forward, but others in your orbit may be holding you back. Know when to cut loose and do things according to your bigger vision.

AQUARIUS – Jan 21/Feb 18

Thinking about all of the things in your life that may not be going to plan could have you feeling down, Aquarius. Flip the perspective and start focusing on the right things.

PISCES – Feb 19/Mar 20

Pisces, you are known for being a dreamer, but right now you have to come down from the clouds and develop a solid plan of action. There will be time for fanciful ideas later.

This was a great week for fishing, especially for kids. The Banks Lake Triple Fish Challenge started last Friday, and they set up a fishing pond and there were some whoppers landed by the youngsters. On Saturday the 20th Rock Island is hosting a free kids fishing day at the Pit Pond. This is a great event.

The Annual Banks Lake Triple Fish Challenge that took place last weekend was a resounding success. Reel Recreation, the group that organizes and stages the event did an excellent job, conducting a quality event. The sixty participants enjoyed sunny skies and calm water and turned in record numbers of triple fish catches.

Anglers that had been able to catch a walleye, bass, trout or whitefish in a single day had been rare in the past. This year eight anglers accomplished this feat, and six on Sunday. The overall fishing was very good on Saturday, but more difficult on Sunday, particularly for walleye. There were different winners for biggest fish of each species on Saturday and Sunday, for both adults and youth. The biggest stringer on Sunday was turned in by Jim Stanely at 5.68 pounds. The combined best stringer weight for both days was 14.44 pounds and was turned in by Brian Waters. He won the grand prize, which was a tricked out kayak valued at \$3,000. Cash and prizes for the biggest fish of each species was awarded each day of the Challenge. For complete details and you can visit the Reel Recreation website or Facebook page. The website address is ReelRecreation.com.

The opening day of trout fishing season is coming up later this month. There are several events planned on our year round waters, and they are typically focused on getting kids and their families out fishing. There are a couple of them planned for the third Saturday in April every year. One that I helped with over 25 years ago takes place in Rock Island at the Pit Pond. The City of Rock Island does some landscaping clean up and tidies up the shorelines in anticipation of the crowds that show up. Local volunteers will

be serving donuts and coffee in the morning and hot dogs, snacks, and soft drinks later in the day. Members of the Wenatchee Sportsman Association will be at the event with loaner rods and tackle and bait for the kids to use. The City of Rock Island and the local volunteers have made this into something folks look forward to every year. Also, on the same day and going on at least as long as the Rock Island event, is the Rotary Club kids fishing day at Oasis Park in Ephrata. The ponds at both locations are loaded with fresh trout to assure the kids will catch a few.

My friend Dennis Beich invited me to join him

for a morning of fishing on Billy Clapp Lake last Friday. We had fished there a couple of weeks ago, and only got one fish, so we wanted to give it another try. Usually, we get a lot of nice rainbow on Billy Clapp this time of year. We made our way up the lake to the area above the big basalt island, and there were fish rising everywhere. There was some kind of hatch going on and the fish were actively feeding. Maybe that's why they weren't interested in what we were offering them. We trolled all kinds of plugs, and Dennis even tried trolling a fly, and still nothing. So, we put our trout gear away and pulled out our walleye gear and headed up to the top end of the lake. This is where we have both caught walleye in the past. There were three or four other boats fishing in the same area, but no one was catching anything. It may be too early. I will use this for an excuse anyway. We still had a great time. It was a beautiful day to be on the water.

Can you ever have enough triploids

in the freezer for smoking? My buddies and I don't think so, and we made another trip to the middle net pens on Rufus Woods. James Lebow, Ryan Harris, and Michael Ericson joined me, and we had high hopes. The four of us have limited in a short time here in the past. Not on Wednesday. We gave it up after about three hours with just one fish. On my way back I stopped at Seatons Grove to see if many boats had launched there. I walked down to the boat ramp and saw the tell tale swirl of a fish on the surface, so I grabbed a rod, cast it out and jammed it hard into some rocks. I went to my truck to get out of my warm clothes, and when I looked down to check my rod--it was gone! A fish had pulled it into the water. I had another rod rigged and started casting in hope of snagging it. It was dead calm, and I saw it on the bottom. I hooked the rod, pulled it in and there was a fish on the line—and I landed a 6 pound triploid! This week's photo is of the fish I landed.

Typically, by this time of year the water temperatures in our reservoirs have warmed enough to get the walleye bite going. I looked at a photo taken at this time of year on Moses Lake that showed me with a 20 inch walleye. It was landed from across Connelly Park. Connelly Park which is open for the season. The park is open from 6 a.m. to 7 p.m., but it is closed on Monday and Tuesday through the month of April. I like to use this launch as it is the closest to the upper end of Moses Lake and that's where the action starts in the spring. On Potholes Reservoir, many anglers make their first trips for walleye on Lind Coulee. There has been some significant improvements to the Samsons Pit launch, which is just below the mouth of Lind Coulee, at the far eastern side of O'Sullivan Dam. My friends and I have had some good days in the early spring on Potholes in the Coulee. I am not sure if the docks are in at the State Park. The lake level should allow for launching at Blythe, which is just down the shore from the State Park toward Mar Don.

REPUBLIC RACE TRACK HOPES FOR JUNE OPENING

REPUBLIC, Wash. — Better late than not at all.

Eagle Track Raceway in Republic plans to operate in 2024, but just somewhat delayed.

With former track promoter Jason Pestka deciding to no longer operate the track, the Eagle Track Racing Association is stepping back into running the nearly 70-year-old 3/8's mile dirt raceway.

Everything became official April 8 when the Ferry County Commissioners agreed to let ETRA operate the track which the county owns.

Eagle Track Racing Association is the group that built and started the track decades ago according to Wendy Braun who is spearheading opening the track.

"Looking at June for the first race if we have everything we need," ETRA spokesperson Braun wrote in an email.

Fever Four class racing at Eagle Track Raceway in Republic. Brenda Starkey photo

This effort reunites ETRA and Braun who both have deep raceway roots.

The ETRA has ran the track back when it started in the 1950s. "I myself started coming and racing at the track back in the 90's," Braun said. "I have many relatives that have raced at the track, uncles, cousins, my dad and myself."

ETRA is a non-profit organization composed of officers and a board of directors.

The association has been behind a myriad of upgrades and improvements over the years. Back in 2015 the ETRA did all the upgrades around the track including new buildings, opened up and added more spectator parking, moved and enlarged the pit area.

"I know the county was working on a grant for lights, but I haven't been updated on that as of right now," Braun said.

Former Street Stock champion Darrin Metcalf celebrates at Eagle Track Raceway in Republic. Eagle Track Raceway photo

Eagle Track Raceway meeting is April 27. Eagle Track Racing Association is back!! We will be having a meeting at the race track on April 27th at noon! Contact Wendy Braun for info at 509-846-4775.
