"The Outdoor Insider"

Happy New Year everyone. All my best wishes to you for a safe and happy new year, full of fishing adventures. We are fortunate to live in an area where the fishing fun never stops. There are big trout being caught on Lake Roosevelt and Rufus Woods Reservoir and hopefully, we will have cold enough weather to allow for good ice fishing conditions on area lakes.

I have noticed a dramatic increase in the popularity of ice fishing over the past few years. More and more people are buying ice augers, portable heaters and even folding fishing shacks to fish through the ice in the winter. There are several lakes scattered throughout the region that attract big crowds on the weekends when the ice is thick enough to safely support anglers. Last year, people were drilling holes in thick ice on Bonaparte Lake, near Tonasket at Thanksgiving. There's over five inches of ice on the lake now, and that's one of the few that are frozen. I wanted to mention Bonaparte because the resort is having an ice fishing derby there on January 27th. It may seem early to mention the derby, but it was very popular and lodging in the area is limited. They did their first one last year and got almost 400 people to turn out for it. Another ice fishing event to consider is the 19th Annual NW Ice Fishing Festival on Sidley Lake near Oroville. It is scheduled for January 14th this year. I have attended this one, and in addition to fishing fun there's great food available and other activities.

I did some checking on the elevation of several lakes, to give people an idea of where they may find good conditions for ice fishing this season. Bonaparte Lake is at 3,556 feet and that's why they have ice thick enough for fishing, in spite of our warm weather so far this winter. The resort on Bonaparte will open in early January and has cabins for rent. Sidley Lake is at 3,683 feet in elevation, so there should be a good layer of ice on this lake right now. Patterson Lake, near Winthrop, which is popular for trout, kokanee and perch through the ice is at 2,391 feet and close behind it is Curlew Lake at

2,333 feet. Curlew is known for producing the biggest perch in the region and anglers travel from long distances to get them. Tiffany's Resort on Curlew does have cabins for rent and the weekend availability goes fast. There are several motels and restaurants in Republic. Fish Lake, near Lake Wenatchee is at 1,933. It is very popular, with perch, trout, kokanee and some triploids taken through the ice. It will be a while before there will be safe ice on Fish Lake. I always check the webcam at [www.lakewenatcheeinfo.com](http://www.lakewenatcheeinfo.com) to see if people are fishing on the ice before I go up there. Palmer Lake, which is also a popular winter lake, with perch,

also working well. He has heard of some kokanee being caught, but not in great numbers. The kokanee fishing will really get rolling when the lake level is being lowered and the daphnia that the kokanee feed on are drawn down into the lower end of the big reservoir. Remember trout anglers, only clipped rainbow can be kept. All trout with an adipose fin must be released. They are native red band rainbow and are protected.

Many years ago, when I was living in Lake Chelan, a couple of local bass anglers invited me to go bass fishing in December. I thought it was a crazy idea but went along. They took me to Barker Canyon Cove and showed me how to "stitch" with plastic leeches. This meant very slow trolling with a light weight on the bottom. We filled the live well with big smallmouth. Earlier this winter, while trolling for walleye, we were catching a surprising number of big largemouth bass on Potholes Reservoir. Looking back at some of the photos I had taken on Potholes in the early winter, I see that this wasn't unusual. I know anglers are still out chasing walleye on Potholes, and if you're a bass angler, you may want to get down there, too.

Fishing for trout off Medicare Beach is also popular right now and will be until Potholes freezes over. Anglers should note that there can be very good perch fishing on Lind Coulee when it freezes. There is another good reason to travel to this area. The perch fishing at the I-90 Bridge is still great. Boats are anchoring just above the bridge and people are casting from the rip rap bank and getting bucketfuls of nice perch. Take advantage of this mild weather and get out and get some fish!

This is the time of year for outdoor shows, and the first one in Eastern Washington is the Tri-Cities Sportsmen Show. This will be the 30th year of this show and it is scheduled for January 26th through the 28th at the HAPO Center in Pasco.

Whether it's outdoors or inside there's a lot to look forward to this winter!

Meet **Tony!** The girls at the shelter were in love with me at first sight, especially because I am a big love bug. So far I hear that I'm nice to new people and would do well with other dogs with proper introduction...but I've been deemed a bit of a leash puller. I'm a really good boy that just needs to learn a thing or two about people manners, including how NOT to be a sled dog!

## How to Spot, Avoid & Report **FAKE CHECK SCAMS**

Fake checks might look like business or personal checks, cashier's checks, money orders, or a check delivered electronically. Here's what to know about fake check scams.

In a fake check scam, a person you don't know asks you to deposit a check. It's usually for more than they owe you, and it's sometimes for several thousand dollars. They tell you to send some of the money back to them or to another person. They always have a good story to explain why you can't keep all the money. They might say they need you to cover taxes or fees for a prize, to buy supplies for a job, to send back money they overpaid, or something else. But this is a scam.

### Why Do These Scams Work?

These scams work because fake checks generally look just like real checks, even to bank employees. They are often printed with the names and addresses of legitimate financial institutions. They may even be real checks written on bank accounts that belong to someone whose identity has been stolen. It can take weeks for a bank to figure out that the check is a fake.

### Fake Checks and Your Bank

By law, banks have to make deposited funds available quickly, usually within two days. When the funds are made available in your account, the bank may say the check has "cleared," but that doesn't mean it's a good check. Fake checks can take weeks to be discovered and untangled. By that time, the scammer has any money you sent, and you're stuck paying the money back to the bank.

Your best bet: Don't rely on money from a check unless you know and trust the person you're dealing with.

### How To Avoid a Fake Check Scam

Never use money from a check to send gift cards, money orders, cryptocurrency, or to wire money to anyone who asks you to. Many scammers demand that you buy gift cards and send them the PIN numbers, buy cryptocurrency and transfer it to them, or send money through wire transfer services like Western Union or MoneyGram. Once you do, it's like you've given them cash. It's almost impossible to get it back.

Toss offers that ask you to pay for a prize. If it's free, you shouldn't have to pay to get it. Only scammers will ask you to pay to collect a "free" prize. Don't accept a check for more than the selling price. You can bet it's a scam.

### Report Fraud

If you think you've been targeted by a fake check scam, report it to:

- The Federal Trade Commission
- The U.S. Postal Inspection Service
- Your State Attorney General

**DAN WATKINS - NORTHPORT MODIFIED CHAMP**

Dan Watkins without the helmet.

Northport's 2023 Modified champion Dan Watkins started racing quarter-midgets when he was 8 years old in Texas.

"My father was in the Air Force so that's how we ended up in Washington," Watkins wrote in an email.

Watkins raced several different kinds of cars through the years and "always find myself back in the dirt," he said.

This season Northport was our focus.

"We spent last winter going through our cars and getting them the best they could be," Watkins explained. "I won two main events and I was consistently on the podium all year."

Watkins edged his son, Daniel by 51 points when all the tallies were complete. This was flip-flopped from 2021 when Daniel beat dad in the final standings.

**DRAG RACING LEGEND LEONG PASSES**

Roland Leong, known for his Hawaiian-themed funny cars and dragsters, died on December 29, at age 79.

Leong's funny cars gained popularity on the match-race circuit in the 1970s and '80s with drivers like Bobby Rowe, Leroy Chadderton, Gordie Bonin, Mike Van Sant, Denny Savage, Norm Wilcox, Larry Arnold, Ron Colson, Mike Dunn, Rick Johnson and Jim White at the wheel.

He brought Bonin to Spokane Raceway Park in 1989 to drive his dragster at the AHRA World Finals and went away the winner.

Leong began as a successful gas dragster driver in Hawaii before moving to California in the early 1960s. At the 1964 Winternationals, Leong won the Top Gas title with Danny Ongais behind the wheel.

Leong teamed with Don "The Snake" Prudhomme to win top fuel the 1965 Winternationals.

In 1970 Leong switched from dragsters to funny cars and won back-to-back championships at Pomona with drivers

"It does not get much better than that as a family team," Watkins said.

Ed Neraux built both Watkins and his son's cars very dependable and competitive engines.

"I have a wonderful group of people that help us I would like to thank," Watkins said. They include Kyle and Lucas Sanders in the pits the Watkins and Ford families.

In addition Watkins said that thanks go to Deaner Hegel, Dennis Bailey, Rusty and James King. "Without these people none of this would happen."

"I would also like to invite everyone who is reading this article to come out and support Northport Raceway," Watkins said. "It's a great track run by wonderful people. Cory Bell does a great job of providing a place for us to play I am looking forward to next year's adventures."
