**DOG OF THE WEEK**

Meet **Patton!** I recently came in through local animal control. I can be nervous of new people, but after some treats and gentle pets I'll be your best friend! I do well around other dogs my size, however I cannot go to a home with cats or other small animals. I need a home with no young children. I have energy when I'm comfortable. I love being with my friends and getting lots of love.

# WEEKLY Horoscopes for January 4-10

**ARIES – Mar 21/Apr 20**  
Aries, watch out because you are hot stuff this week. Coming off the excitement of the holidays, you're still in the mood to socialize. The invitations to various social events will still flow.

**TAURUS – Apr 21/May 21**  
Hopefully you've made progress on the various organizational projects that you have had in mind, Taurus. Now is the time to get those resolutions moving.

**GEMINI – May 22/Jun 21**  
Gemini, how is your to-do list coming along? If you haven't yet gotten moving, a coming slowdown could make the perfect time to get cracking.

**CANCER – Jun 22/Jul 22**  
Cancer, right now you may be feeling like hibernating, especially if the weather is changing. Don't burrow under the covers just yet. Find a way to stay busy and socialize.

**LEO – Jul 23/Aug 23**  
Leo, even if it seems the way to be the most productive, burning the candle at both ends is only going to make you tired and less efficient. Ask for help if you need it.

**VIRGO – Aug 24/Sept 22**  
Virgo, your innate humility means you're often content with being behind the scenes and not in the limelight. However, this week you may want a little extra fanfare.

**LIBRA – Sept 23/Oct 23**  
Libra, after a season of partying and letting other tasks fall by the wayside, it is time to get back to focus. You must take out your financial account records and track spending right now.

**SCORPIO – Oct 24/Nov 22**  
Take an inventory of the things you want to change about yourself, Scorpio. There is always room for improvement, especially if you feel you have not been your best self lately..

**SAGITTARIUS – Nov 23/Dec 21**  
Hopefully you have met your quota of parties and social events because now is the time to take a break, Sagittarius. The invitations will cease, but that can be a good thing for you.

**CAPRICORN – Dec 22/Jan 20**  
It's often business as usual for you to burn the midnight oil, Capricorn. But scale back on those late-night interludes. That's a recipe for burnout that can derail your bigger plans.

**AQUARIUS – Jan 21/Feb 18**  
Aquarius, you are the zodiac's team player, so you may have to give the troops a pep talk to get everyone working together this week. Smooth down any ruffled feathers as needed.

**PISCES – Feb 19/Mar 20**  
If you have any unfinished business that needs to get wrapped up, Pisces, the clock is ticking. Make a strong attempt to finish by Wednesday or Thursday.

"The Outdoor Insider"

Happy New Year everyone. All my best wishes to you for a safe and happy new year, full of fishing adventures. We are fortunate to live in an area where the fishing fun never stops. There are big trout being caught on Lake Roosevelt and Rufus Woods Reservoir and hopefully, we will have cold enough weather to allow for good ice fishing conditions on area lakes.

I have noticed a dramatic increase in the popularity of ice fishing over the past few years. More and more people are buying ice augers, portable heaters and even folding fishing shacks to fish through the ice in the winter. There are several lakes scattered throughout the region that attract big crowds on the weekends when the ice is thick enough to safely support anglers. Last year, people were drilling holes in thick ice on Bonaparte Lake, near Tonasket at Thanksgiving. There's over five inches of ice on the lake now, and that's one of the few that are frozen. I wanted to mention Bonaparte because the resort is having an ice fishing derby there on January 27th. It may seem early to mention the derby, but it was very popular and lodging in the area is limited. They did their first one last year and got almost 400 people to turn out for it. Another ice fishing event to consider is the 19th Annual NW Ice Fishing Festival on Sidley Lake near Oroville. It is scheduled for January 14th this year. I have attended this one, and in addition to fishing fun there's great food available and other activities.

I did some checking on the elevation of several lakes, to give people an idea of where they may find good conditions for ice fishing this season. Bonaparte Lake is at 3,556 feet and that's why they have ice thick enough for fishing, in spite of our warm weather so far this winter. The resort on Bonaparte will open in early January and has cabins for rent. Sidley Lake is at 3,683 feet in elevation, so there should be a good layer of ice on this lake right now. Patterson Lake, near Winthrop, which is popular for trout, kokanee and perch through the ice is at 2,391 feet and close behind it is Curlew Lake at

2,333 feet. Curlew is known for producing the biggest perch in the region and anglers travel from long distances to get them. Tiffany's Resort on Curlew does have cabins for rent and the weekend availability goes fast. There are several motels and restaurants in Republic. Fish Lake, near Lake Wenatchee is at 1,933. It is very popular, with perch, trout, kokanee and some triploids taken through the ice. It will be a while before there will be safe ice on Fish Lake. I always check the webcam at [www.lakewenatcheeinfo.com](http://www.lakewenatcheeinfo.com) to see if people are fishing on the ice before I go up there. Palmer Lake, which is also a popular winter lake, with perch,

trout and burbot available to anglers. It is only at 1,150 feet. I will be checking with local sources to learn if people are fishing on the ice and will keep you posted. This week's photo is of a group of anglers at Fish Lake last winter.

One of my best sources of information for what's happening on Lake Roosevelt is Kevin Witte, who lives in Kettle Falls and has a guide service for kokanee, trout, walleye, and sturgeon. In the winter he chases kokanee and rainbow all the way down to Grand Coulee Dam. We did a video on the rainbow fishing out of Spring Canyon a couple of years ago and caught a bunch of nice rainbow that are averaging 17 or 18 inches is even better this year. Keller is where he is launching right now, as the lake level hasn't been dropped at all. He is trolling Kokabow blades with either orange or pink hookies at about 1.2 to 1.4 mph. Flicker Shads in the size 5 or 7 are

also working well. He has heard of some kokanee being caught, but not in great numbers. The kokanee fishing will really get rolling when the lake level is being lowered and the daphnia that the kokanee feed on are drawn down into the lower end of the big reservoir. Remember trout anglers, only clipped rainbow can be kept. All trout with an adipose fin must be released. They are native red band rainbow and are protected.

Many years ago, when I was living in Lake Chelan, a couple of local bass anglers invited me to go bass fishing in December. I thought it was a crazy idea but went along. They took me to Barker Canyon Cove and showed me how to "stitch" with plastic leeches. This meant very slow trolling with a light weight on the bottom. We filled the live well with big smallmouth. Earlier this winter, while trolling for walleye, we were catching a surprising number of big largemouth bass on Potholes Reservoir. Looking back at some of the photos I had taken on Potholes in the early winter, I see that this wasn't unusual. I know anglers are still out chasing walleye on Potholes, and if you're a bass angler, you may want to get down there, too.

Fishing for trout off Medicare Beach is also popular right now and will be until Potholes freezes over. Anglers should note that there can be very good perch fishing on Lind Coulee when it freezes. There is another good reason to travel to this area. The perch fishing at the I-90 Bridge is still great. Boats are anchoring just above the bridge and people are casting from the rip rap bank and getting bucketfuls of nice perch. Take advantage of this mild weather and get out and get some fish!

This is the time of year for outdoor shows, and the first one in Eastern Washington is the Tri-Cities Sportsmen Show. This will be the 30th year of this show and it is scheduled for January 26th through the 28th at the HAPO Center in Pasco.

Whether it's outdoors or inside there's a lot to look forward to this winter!

JANUARY 5, 2024 Report

"Going fast is your job...telling people about it is ours...!"

Thanks to the Exchange for helping continue the four-decade tradition of delivering weekly motorsports news to the Inland Northwest!

## DAN WATKINS - NORTHPORT MODIFIED CHAMP

Dan Watkins without the helmet.

Northport's 2023 Modified champion Dan Watkins started racing quarter-midgets when he was 8 years old in Texas.

"My father was in the Air Force so that's how we ended up in Washington," Watkins wrote in an email.

Watkins raced several different kinds of cars through the years and "always find myself back in the dirt," he said.

This season Northport was our focus.

"We spent last winter going through our cars and getting them the best they could be," Watkins explained. "I won two main events and I was consistently on the podium all year."

Watkins edged his son, Daniel by 51 points when all the tallies were complete. This was flip-flopped from 2021 when Daniel beat dad in the final standings.

## NORTHPORT 2023 POINTS LEADERS MODIFIEDS

Pos.....	Car # .....	Name .....	Points .....
1.....	15 .....	Dan Watkins .....	496 .....
2.....	15w .....	Daniel Watkins .....	445 .....
3.....	14 .....	LeeAnne Zaitsoff .....	287 .....
4.....	89 .....	Cody Rees Jr. ....	286 .....

"It does not get much better than that as a family team," Watkins said.

Ed Neraux built both Watkins and his son's cars very dependable and competitive engines.

"I have a wonderful group of people that help us I would like to thank," Watkins said. They include Kyle and Lucas Sanders in the pits the Watkins and Ford families.

In addition Watkins said that thanks go to Deane Hegel, Dennis Bailey, Rusty and James King. "Without these people none of this would happen."

"I would also like to invite everyone who is reading this article to come out and support Northport Raceway," Watkins said. "It's a great track run by wonderful people. Cory Bell does a great job of providing a place for us to play I am looking forward to next year's adventures."

## DRAG RACING LEGEND LEONG PASSES

Roland Leong, known for his Hawaiian-themed funny cars and dragsters, died on December 29, at age 79.

Leong's funny cars gained popularity on the match-race circuit in the 1970s and '80s with drivers like Bobby Rowe, Leroy Chadderton, Gordie Bonin, Mike Van Sant, Denny Savage, Norm Wilcox, Larry Arnold, Ron Colson, Mike Dunn, Rick Johnson and Jim White at the wheel.

He brought Bonin to Spokane Raceway Park in 1989 to drive his dragster at the AHRA World Finals and went away the winner.

Leong began as a successful gas dragster driver in Hawaii before moving to California in the early 1960s. At the 1964 Winternationals, Leong won the Top Gas title with Danny Ongais behind the wheel.

Leong teamed with Don "The Snake" Prudhomme to win top fuel the 1965 Winternationals.

In 1970 Leong switched from dragsters to funny cars and won back-to-back championships at Pomona with drivers

Larry Reyes and Butch Maas piloting.

Over the last two decades Leong gained renewed popularity as one of the leading tuners in the Nostalgia Funny Car division of the NHRA Hot Rod Heritage Series.

Drag Racing Legend Roland Leong.

## CALE YARBOROUGH, 3-TIME NASCAR CHAMP, DIES AT 84

Cale Yarborough, who at one time held the NASCAR record for most consecutive championships, died Dec. 31 at age 84.

Yarborough won the Cup Series titles from 1976-78, making him the lone driver to win three straight NASCAR championships until Jimmie Johnson won five in a row from 2006-2010.

In addition to his run of championships, Yarborough also was a four-time Daytona 500 winner taking the checkered

flag in 1968, 1977, 1983 and 1984. Yarborough retired in the No. 6 position of all-time race wins with 83.

According to the Reuters report, Yarborough was a South Carolina native who grew up on his family's farm, he also played college football at Clemson but left the team to pursue a career in racing.

While no cause of death was listed Yarborough had been battling a rare genetic disorder, according to his family.

Paul Delaney has been writing about Motorsports in the Pacific Northwest since 1976. He welcomes learning about your racing accomplishments.
