The cold snap put a layer of ice on many lakes in the region. There were a lot of people waiting for this to happen, and there were people fishing on the ice from Moses Lake to near the Canadian Border. They welcomed the opportunity to get outdoors and do something, after the severely cold weather kept people indoors for days.

One of the most popular ice fishing lakes in Eastern Washington is Fish Lake, near Leavenworth. I was getting questions about the ice condition on the lake, so I drove up there last Tuesday. First of all, I found the road into the lake plowed and in great shape. When I arrived there was a group of anglers that had just come off the lake. They reported that there was at least five inches of good solid ice, and I could see several large ice shacks. One was in the cove across from the resort, and the others were out on the main part of the lake. The forecast was for a pretty good dump of snow for a few days last week. Although we are going to see some warmer weather, when the snow piles on top of the ice, it acts as an insulator. So, I do expect the ice to keep its thickness—but I always advise caution before venturing on a frozen lake. On the way up to Fish Lake I noticed the construction going on at Tumwater Dam. They are doing the work when there aren't many fish in the river, but working in these freezing temperatures must be tough.

The work that is being done is to the dam apron, that has been undercut and eroded. The work is necessary to continue to meet dam stability criteria under Department of Ecology regulations. The cost of the project is estimated at 2.5 to 4 million dollars. The fish that pass through the dam each year includes everything from bull trout, lamprey, steelhead, three species of Chinook salmon and sockeye salmon. I stop by regularly beginning in late July to see how many sockeye have passed through the dam, in anticipation of the opening of the season on Lake Wenatchee.

I drove up to Fish Lake last Saturday morning, and arrived at about 8 a.m. The

parking lot of was full of rigs, with people loading their sleds in preparation of going out on the ice. When I walked out, I counted sixty people, either fishing or pulling their gear to a spot to drill their holes. There is slush and frozen tracks on the path, and walking is awkward. When I last checked, there was five inches of ice. I do want to caution people that there are some springs that thin the ice in certain areas, so you always need to be sure you have good solid ice beneath you when you set up to fish. Anglers are using nightcrawlers and maggots, either on a bare or jig hook, and many put a Swedish Pimple at the end of their line. Perch are the main target, and some are catching trout, and those who jig a Kokabow

blade above a Swedish Pimple, baited with corn, have a chance of catching the kokanee that are now available in Fish Lake. There is a warming trend in the forecast, and I am not sure how long the ice will hold up.

The Bonaparte Lake Resort's 2nd Annual Ice Fishing Derby is coming up this weekend. It is scheduled for Saturday, January 27th. The event attracted almost 400 people last year, and this year they accumulated cash and prizes valued at over \$9,000. Entry fees are \$15 for adults, \$30 for an adult and multi-species ticket. The entry fee for youth under age 15, is \$15. You can register the day of the event from 5:30 to 9:30 a.m., or you can register on line by going to the Bonaparte Lake Resort Facebook page and use

the QR Code on the page. If you register on line you are required to get a wrist band from the resort. Weigh in is from 7:30 a.m. until 4 p.m., and you must be in line no later than 4 p.m. The event is going to be fun for the whole family. So, drag out your ice fishing gear and warmest clothes and plan to join the fun!

When it's just too cold to fish, there is a great option for outdoors people. You can attend one of the many sports shows that are scheduled this time of year. The first one in Eastern Washington is the annual Sportsmen Show in Tri-Cities, at the HAPO Center in Pasco. It is coming up on January 26th through the 28th. This will be the thirty second year that the Shuyler family has provided this

show, and they have all the things that people like to see at the shows again. This year's show will feature the Border Collie Performing Team, and I am very eager to watch this show. I'm sure the kids will really like it, too. I really appreciate all the activities that are offered for kids. This year they can catch a trout at Lunker Lake, shoot an air rifle, shoot balloons with a bow and arrow, and participate in a scavenger hunt. Kids can get their face painted at the Kids Korner. This is a great place to meet hunting and fishing guides from the local area and destinations all over the world. You can learn all about the show and the cost to attend

by logging onto their website at [www.shuylerproductions.com](http://www.shuylerproductions.com).

I am looking forward to some warmer weather. There are several winter fishing opportunities that I haven't been able to take advantage of, due to the severely cold snap that hit the region. I look forward to getting out and doing some shore fishing for rainbow trout at Spring Canyon and Crescent Beach at Grand Coulee, and at Keller. Getting limit numbers of rainbow that average 16 inches is possible at these locations. I have also had some great days catching big triploids from the shore at the middle net pens on Rufus Woods Reservoir. I am very excited about giving all of these place a try very soon!

Something you discover about a friend this week could leave you reeling, Leo. The signs have been there for awhile and you really should have seen it coming.

**VIRGO – Aug 24/Sept 22**  
Virgo, if you are on the move this week, there is a chance that you will experience some interesting people along the way. At least one person might be a good networking contact.

**LIBRA – Sept 23/Oct 23**  
More than anything right now, this week you need to relax and unwind, Libra. Take things at a slow pace, and spend more time at home with family then at work.

**SCORPIO – Oct 24/Nov 22**  
Try not to take any financial risks right now, Scorpio. If you are planning to invest, then you may want to get all of the facts before gambling too much in the stock market.

**SAGITTARIUS – Nov 23/Dec 21**  
This week you will be back to your best, Sagittarius. Things will work out, so use your positive attitude to the benefit of yourself and others.

**CAPRICORN – Dec 22/Jan 20**  
Capricorn, even though you are conservative by nature, this week you are ready to take a chance of some sort. Enjoy the journey even if the efforts do not bring you enormous success.

**AQUARIUS – Jan 21/Feb 18**  
Aquarius, a kind word from you may be all that is needed to bring a smile to someone's face. Do not underestimate the power of a kind and simple gesture.

**PISCES – Feb 19/Mar 20**  
You don't usually lack confidence, Pisces. But you may not want to push ahead with a project for fear of failure. You should be more adventurous and not worry too much.

Butterflies are beautiful insects, best known for their incredible metamorphosis from caterpillars, to chrysalises, to finally becoming butterflies. They are a favorite classroom pet for the very purpose of watching this transformation. But many people keep butterflies as pets not for educational purposes, but because of their colorful wings and how easy they are to care for. How easy? Some species don't even need to eat!

**How to Spot, Avoid & Report FAKE CHECK SCAMS**

Fake checks might look like business or personal checks, cashier's checks, money orders, or a check delivered electronically. Here's what to know about fake check scams.

In a fake check scam, a person you don't know asks you to deposit a check. It's usually for more than they owe you, and it's sometimes for several thousand dollars. They tell you to send some of the money back to them or to another person. They always have a good story to explain why you can't keep all the money. They might say they need you to cover taxes or fees for a prize, to buy supplies for a job, to send back money they overpaid, or something else. But this is a scam.

**Why Do These Scams Work?**

These scams work because fake checks generally look just like real checks, even to bank employees. They are often printed with the names and addresses of legitimate financial institutions. They may even be real checks written on bank accounts that belong to someone whose identity has been stolen. It can take weeks for a bank to figure out that the check is a fake.

**Fake Checks and Your Bank**

By law, banks have to make deposited funds available quickly, usually within two days. When the funds are made available in your account, the bank may say the check has "cleared," but that doesn't mean it's a good check. Fake checks can take weeks to be discovered and untangled. By that time, the scammer has any money you sent, and you're stuck paying the money back to the bank.

Your best bet: Don't rely on money from a check unless you know and trust the person you're dealing with.

**How To Avoid a Fake Check Scam**

Never use money from a check to send gift cards, money orders, cryptocurrency, or to wire money to anyone who asks you to. Many scammers demand that you buy gift cards and send them the PIN numbers, buy cryptocurrency and transfer it to them, or send money through wire transfer services like Western Union or MoneyGram. Once you do, it's like you've given them cash. It's almost impossible to get it back.

Toss offers that ask you to pay for a prize. If it's free, you shouldn't have to pay to get it. Only scammers will ask you to pay to collect a "free" prize. Don't accept a check for more than the selling price. You can bet it's a scam.

## KEVIN MARTIN - STATELINE OUTBOARD RACING ASSOCIATION 2023 1100CC HYDRO CLASS CHAMPION

Kevin Martin - Photos courtesy of Kevin Martin

Martin is the second of three generations racing family. Started racing personally in 1978. "I have raced many classes in outboard hydroplane racing both locally and nationally," Martin wrote in an email. The 2024 campaign with the Staterline Outboard Racing Association will be his second year back from a 12-year retirement. "Our goal for 2024 is a trip to the National Championships, and a podium finish," Martin said. When Martin is not racing he enjoys building and driving Ratrods.

## KYLE SUCHY - HERMISTON HORNETS CHAMP

The points table that supports this article from last week's edition was incorrect. Below is the article along with the correct table. We apologize for any confusion.

"My season did not start with the intent of a run for a championship as I was not sure how many races we would be able to make as my wife and I just had twin boys on December 1, 2022," Kyle Suchy wrote in an email. But the season began with a bang — good kind that is.

"The first race at Hermiston Raceway, our third generation race car was a rocket ship," Suchy explained.

"We sat fast with the invert start for of the main event and would be starting sixth" Suchy said. "We took the lead within just a few laps and led all the way to the checkered."

Race number two at Hermiston would be a repeat of the first race, setting fast time, which would put us starting on the pole. "We led from the green flag to checkered flag," Suchy said.

This would be his only two wins at Hermiston, but the rest of the races Suchy would finish in the top five, which kept him in the points lead for the entire season.

"Coming down to the last race we were leading by only nine points," Suchy said. "We knew what we had to do. We had to keep the car in one piece and finish again."

Suchy had a good car with a third generation race car set up in it. "We would finish the race in fifth place, which gave us enough points to stay in the lead and win the track championship."

The Irrigon, Oregon driver ended with an eight -point cushion over Hermiston's David Knowles.
