The cold snap put a layer of ice on many lakes in the region. There were a lot of people waiting for this to happen, and there were people fishing on the ice from Moses Lake to near the Canadian Border. They welcomed the opportunity to get outdoors and do something, after the severely cold weather kept people indoors for days.

One of the most popular ice fishing lakes in Eastern Washington is Fish Lake, near Leavenworth. I was getting questions about the ice condition on the lake, so I drove up there last Tuesday. First of all, I found the road into the lake plowed and in great shape. When I arrived there was a group of anglers that had just come off the lake. They reported that there was at least five inches of good solid ice, and I could see several large ice shacks. One was in the cove across from the resort, and the others were out on the main part of the lake. The forecast was for a pretty good dump of snow for a few days last week. Although we are going to see some warmer weather, when the snow piles on top of the ice, it acts as an insulator. So, I do expect the ice to keep its thickness—but I always advise caution before venturing on a frozen lake. On the way up to Fish Lake I noticed the construction going on at Tumwater Dam. They are doing the work when there aren't many fish in the river, but working in these freezing temperatures must be tough.

The work that is being done is to the dam apron, that has been undercut and eroded. The work is necessary to continue to meet dam stability criteria under Department of Ecology regulations. The cost of the project is estimated at 2.5 to 4 million dollars. The fish that pass through the dam each year includes everything from bull trout, lamprey, steelhead, three species of Chinook salmon and sockeye salmon. I stop by regularly beginning in late July to see how many sockeye have passed through the dam, in anticipation of the opening of the season on Lake Wenatchee.

I drove up to Fish Lake last Saturday morning, and arrived at about 8 a.m. The

parking lot of was full of rigs, with people loading their sleds in preparation of going out on the ice. When I walked out, I counted sixty people, either fishing or pulling their gear to a spot to drill their holes. There is slush and frozen tracks on the path, and walking is awkward. When I last checked, there was five inches of ice. I do want to caution people that there are some springs that thin the ice in certain areas, so you always need to be sure you have good solid ice beneath you when you set up to fish. Anglers are using nightcrawlers and maggots, either on a bare or jig hook, and many put a Swedish Pimple at the end of their line. Perch are the main target, and some are catching trout, and those who jig a Kokabow

blade above a Swedish Pimple, baited with corn, have a chance of catching the kokanee that are now available in Fish Lake. There is a warming trend in the forecast, and I am not sure how long the ice will hold up.

The Bonaparte Lake Resort's 2nd Annual Ice Fishing Derby is coming up this weekend. It is scheduled for Saturday, January 27th. The event attracted almost 400 people last year, and this year they accumulated cash and prizes valued at over \$9,000. Entry fees are \$15 for adults, \$30 for an adult and multi-species ticket. The entry fee for youth under age 15, is \$15. You can register the day of the event from 5:30 to 9:30 a.m., or you can register on line by going to the Bonaparte Lake Resort Facebook page and use

the QR Code on the page. If you register on line you are required to get a wrist band from the resort. Weigh in is from 7:30 a.m. until 4 p.m., and you must be in line no later than 4 p.m. The event is going to be fun for the whole family. So, drag out your ice fishing gear and warmest clothes and plan to join the fun!

When it's just too cold to fish, there is a great option for outdoors people. You can attend one of the many sports shows that are scheduled this time of year. The first one in Eastern Washington is the annual Sportsmen Show in Tri-Cities, at the HAPO Center in Pasco. It is coming up on January 26th through the 28th. This will be the thirty second year that the Shuyler family has provided this

show, and they have all the things that people like to see at the shows again. This year's show will feature the Border Collie Performing Team, and I am very eager to watch this show. I'm sure the kids will really like it, too. I really appreciate all the activities that are offered for kids. This year they can catch a trout at Lunker Lake, shoot an air rifle, shoot balloons with a bow and arrow, and participate in a scavenger hunt. Kids can get their face painted at the Kids Korner. This is a great place to meet hunting and fishing guides from the local area and destinations all over the world. You can learn all about the show and the cost to attend

by logging onto their website at [www.shuylerproductions.com](http://www.shuylerproductions.com).

I am looking forward to some warmer weather. There are several winter fishing opportunities that I haven't been able to take advantage of, due to the severely cold snap that hit the region. I look forward to getting out and doing some shore fishing for rainbow trout at Spring Canyon and Crescent Beach at Grand Coulee, and at Keller. Getting limit numbers of rainbow that average 16 inches is possible at these locations. I have also had some great days catching big triploids from the shore at the middle net pens on Rufus Woods Reservoir. I am very excited about giving all of these place a try very soon!

**BUYER BEWARE**

Classified ads are a great way to sell something, find something or hire a contractor to do needed work around your home or business. Sadly, our advertisers cannot always trust the individuals who respond to their ads. It has come to our attention that there are scammers out there who respond to ads with the sole intention of deceiving the advertiser. Typically these scams are actually generated by automated bots. Here are a few things to look out for:

**When selling something:**

Scammers typically text & ask what your final price is. They will then ask you if you can ship the item. In return, they tell you that they will send a cashier's check with some extra money added in to cover shipping. Do not fall for this. Accepting cash for items is the best bet. For large purchases, meeting at the buyer's financial institution for the payment is encouraged.

**Where to meet:**

If you are unsure of a buyer or seller, ask them to meet you at the local police station or S.C.O.P.E. office, or a public location such as a grocery store parking lot. People who don't have anything to hide will be agreeable to that type of meeting spot.

**Who to hire:**

If you are looking for a contractor to fix or build something, make sure they are licensed & bonded. This can be verified on the Washington State Labor & Industries contractor site. Do not pay in advance for any services or materials until you have a signed contract. Many contractors ask for half the money in advance & the remainder when the job is done. It is good to verify that the individual does, indeed, still work for the company they are representing. It is also a good idea to ask for references. Most contractors are happy to pass on names and phone numbers of customers that can verify their work.

"Going fast is your job...telling people about it is ours...!"

Thanks to the Exchange for helping continue the four-decade tradition of delivering weekly motorsports news to the Inland Northwest!

## KEVIN MARTIN - STATELINE OUTBOARD RACING ASSOCIATION 2023 1100CC HYDRO CLASS CHAMPION

Kevin Martin - Photos courtesy of Kevin Martin

Martin is the second of three generations racing family. Started racing personally in 1978. "I have raced many classes in outboard hydroplane racing both locally and nationally," Martin wrote in an email. The 2024 campaign with the Staterline Outboard Racing Association will be his second year back from a 12-year retirement.

"Our goal for 2024 is a trip to the National Championships, and a podium finish," Martin said. When Martin is not racing he enjoys building and driving Ratrods.

Sponsors: Custom Truck Spokane, Spokane Sunscreen, K&M Unibody Works, JK2 Automotive Detailing, Eljay Oil, David's Pizza, Sculleys Automotive, Diesel Power Products.

## KYLE SUCHY - HERMISTON HORNETS CHAMP

The points table that supports this article from last week's edition was incorrect. Below is the article along with the correct table. We apologize for any confusion.

"My season did not start with the intent of a run for a championship as I was not sure how many races we would be able to make as my wife and I just had twin boys on December 1, 2022," Kyle Suchy wrote in an email.

But the season began with a bang — good kind that is. "The first race at Hermiston Raceway, our third generation race car was a rocket ship," Suchy explained. "We sat fast with the invert start for of the main event and would be starting sixth" Suchy said. "We took the lead within just a few laps and led all the way to the checkered."

Race number two at Hermiston would be a repeat of the first race, setting fast time, which would put us starting on the pole. "We led from the green flag to checkered flag," Suchy said.

This would be his only two wins at Hermiston, but the rest of the races Suchy would finish in the top five, which kept him in the points lead for the entire season.

"Coming down to the last race we were leading by only nine points," Suchy said. "We knew what we had to do. We had to keep the car in one piece and finish again."

Suchy had a good car with a third generation race car set up in it. "We would finish the race in fifth place, which gave us enough points to stay in the lead and win the track championship."

The Irrigon, Oregon driver ended with an eight -point cushion over Hermiston's David Knowles.

# Checklist FOR A BETTER HOME SHOWING

- Remove Clutter**  
Clear off counters and pack unnecessary decorative items. Put extra furniture in storage, and remove out-of-season items. Don't forget to clean out the garage, too.
- Let it Shine**  
Cleaning windows and screens will help bring more light into your home. Replace burnt bulbs, and consider higher wattage in low-light areas. Clean the walls or brush on a fresh coat of bright, neutral paint. Replace heavy curtains with sheer ones and show off your view.
- Keep it Clean**  
A deep clean before listing your home will make upkeep easier. Consider hiring a cleaning service to help.
- Maximize Comfort**  
In summer, shut A/C vents on the first floor so more air will get upstairs. Reverse the process in winter.
- Perform a Sniff Test**  
Clean carpeting and drapes to eliminate odors. Open the windows to air out the house. Consider potpourri or scented candles and diffusers. For quick fixes in the kitchen, cotton balls soaked in vanilla extract or orange juice can instantly make the fridge a nicer-smelling place. Boil lemon juice in your microwave, then add it to your dishwasher to eliminate odors. You can also run lemon rinds through the garbage disposal for a similar effect.
- Take Care of Minor Repairs**  
Sticky doors, torn screens, cracked caulking, or a dripping faucet may seem trivial, but they'll give buyers the impression that the house isn't well-maintained.
- Tidy up Outdoors**  
Cut the grass, rake the leaves, add new mulch, trim the bushes, edge the walkways, and clean your gutters. A pot of bright flowers near the entryway adds great curb appeal.
- Set the Scene**  
A bright afghan or new accent pillows easily jazz up a dull room. Pretty dishes or a simple centerpiece on the tables can help buyers picture themselves living there. Try staging a chess game in progress. If you have a fireplace, lay fresh logs or a basket of flowers there.
- Make the Bath Luxurious**  
Make sure your personal toiletry items are out of sight, along with old towels and toothbrushes. Add a new shower curtain and fancy guest soaps.
- Send the Pets to the Neighbors**  
If that's not possible, crate or confine them to one room, and let the real estate practitioner know where they'll be to eliminate surprises.
- Lock up Valuables and Medication**  
Agents can't watch everyone all the time.
- Head Out**  
It can be awkward for everyone if you're home at the time of a showing!
