Fishing Magician

Dave Graybill

Reach Dave @ www.FishingMagician.com or FishBoy@nwi.net "The Outdoor Insider"

I almost pulled my boat home earlier this week. We have had a good stretch of warm weather. The snow had been moved out of my driveway and there was room for the boat. However, Mother Nature had other plans, so I am still looking for good places to fish from shore.

I wanted to see if the Quincy lakes were still frozen, so I pulled off of Whitetail Road and found that the gate is still closed. Oh well, I am pretty sure that they still have ice on them, and I will check again as we get closer to the March 1st opening of these lakes. I knew that the ice was off of Billy Clapp Lake. I had my shore fishing "go bag" and a couple of rods in my truck and wanted to give it a try. As I drove down onto the sandy shore I saw one other angler had just arrived. He told me that he lives only ten minutes away and had been fishing here almost daily. He showed me some photos of a few of the rainbow he had caught earlier, and they were very impressive. He has been catching some that were 3 to five pounds and had been broken off by larger fish. I had brought my video gear along and did a short video on fishing Billy Clapp in the winter. After I had packed up my video gear I reeled in the two rods that I had cast out earlier. One was baited with Power Bait and the other with a shrimp and marshmallow combo. The shrimp baited the rod had a 15-inch rainbow on it! This week's photo was taken at Billy Clapp last Friday. The video I did is now posted on the Dave Graybill YouTube channel.

Just like every other fisherman out there I am getting tired of winter. Not that there aren't things to do, but wouldn't be nice to be out in a boat and not freeze? I remember in low snow years in the past that I could go up to Fish Lake, near Leavenworth, and fish in the sun on calm waters in March. I wanted to see if the ice was breaking up and maybe going away, so I drove up there the other day. Sorry to report that there is still plenty of ice on the lake. Not enough to

fish on, and no signs of it leaving for a while. The lake is at about 2,000 feet in elevation, so it makes sense. I was very close to bringing my boat home the other day. The ten-day forecast was for temperatures in the 40s. However, things do change, and now I am expecting snow here in Leavenworth the next couple of days. Heck, we just put the snow shovels away. I will still be looking for ice-free water and will let you know if can find any. There are lakes in the Columbia Basin that open March 1st.

Many of you know that I am a big fan of fishing from the shore at Brandts Landing on Rufus Woods Reservoir. I have spent many days over the years

out how the fishing is, and his most recent report is that fishing is slow. Hopefully that will change with the seasonal plants of triploids by the Colville Tribe.

Mark your calendars for the Central Washington Sportsmen Show. It's coming up on Friday, February 23rd at the Sundome in Yakima. This show has been going on for over 30 years, and I think I've been at 20 of them. There's a few things that I really like about this show. Number one is that it is truly family friendly. They always have several activities that the kids can enjoy. Number two is that you can easily take in the show and visit with the exhibitors. There isn't the crush of the big shows in Puyallup and Portland. Number three is that you can

see some great seminars and meet the presenters and ask questions. I also like the fact that you can pay one entry free and attend all three days of the show. Another reason I enjoy going to this show is that I meet a lot of people that follow my reports, either online or in the newspaper. I am so busy having fun talking to folks that my voice is failing by Sunday afternoon. I will be hanging out with the folks at Bob Feil Motors again, so be sure to stop by and say hello.

We had a long weekend coming up with President's Day last Monday, so I was

thinking about what I would recommend for a fishing trip. If you wanted to put a boat on the water, the trout fishing on Lake Roosevelt has been good. Limits of trout that average 16 inches are possible. Anglers are fishing out of Spring Canyon and Keller and trolling basically kokanee type gear to get their rainbow. Another good place to launch a boat is on Lake Chelan. Anglers are launching out of the State Park or Mill Bay and running up as far as Michell Creek to find the kokanee. There are days that some anglers are even limiting on kokanee, and there are a lot of fish that are measuring 13 to 14 inches. There are a couple of places I would suggest to fish from shore right now. Both the Federal Park at Keller and Spring Canyon can be very good.

casting from one of the accesses at this Federal Park. If you haven't been to Brandts Landing, you will find this location, about six miles from the boat launch above Chief Joseph Dam, is very fishing friendly. There are several accesses to the shoreline, all with fire pits and some even have picnic tables. There is a vault toilet at the site that is well maintained. The water along the park is shallow, and most anglers use at least a half-ounce egg sinker, rigged to slide, to cast as far as possible to tempt a strike from passing rainbow. Dough baits are by far the most popular bait to toss to cruising trout, but others will use a nightcrawler and marshmallow or marshmallow and shrimp combo. Success can vary, and I have had some terrific days. I have a great contact to find

WEEKLY Horoscopes for February 22-28

ARIES – Mar 21/Apr 20
Take a few days off from work if you find you have been running yourself ragged, Aries. The pressure to be the best may have gotten to you and you need a rest.

TAURUS – Apr 21/May 21
Powering through a situation sometimes works, but not if you are feeling ill or injured, Taurus. Prioritize your health right now and take a step back if need be.

GEMINI – May 22/Jun 21
Gemini, there are always two sides to every story, so resist the urge to weigh in on a situation between friends right now. Get all of the information first and then stay neutral.

CANCER – Jun 22/Jul 22
Listen to someone's feelings when they come to you and try to vent, Cancer. Exhibit some patience and help this person work through his or her issues.

LEO – Jul 23/Aug 23
A great opportunity is coming down the pike, Leo. You will have to get your timing correct to maximize its impact on your life. Organize all of the elements you can control.

VIRGO – Aug 24/Sept 22
Advice from a loved one prompts you to reevaluate your plans for the coming weeks, Virgo. Step away from the situation to see how things might work.

LIBRA – Sept 23/Oct 23
It is important to take the reins this week, Libra, particularly if you want to get noticed by those in positions of power. You need to be your own best advocate.

SCORPIO – Oct 24/Nov 22
Sometimes the hardest thing to do in a situation is to stay silent when you don't agree with things, Scorpio. Keep in mind that others may not be ready to hear your advice.

SAGITTARIUS – Nov 23/Dec 21
Take ownership of any mistakes you have made and learn from them this week, Sagittarius. That is the only way you can grow as a person and make a difference in others' lives.

CAPRICORN – Dec 22/Jan 20
Capricorn, are you ready to accept the consequences of your actions? If you go out on your own path when others are warning against it, you will need to confront the consequences on your own.

AQUARIUS – Jan 21/Feb 18
Aquarius, you may be ready to make a big move in your life, but others may not be there with you just yet. You need to find the timing that works for as many as possible.

PISCES – Feb 19/Mar 20
Pisces, it may not be possible to put blinders on for every situation. However, sometimes it is advisable to look the other way in the name of keeping the peace.

ZMAX CARS TOUR WILL EXPAND TO THE WEST COAST

Mooresville, N.C. – The zMAX CARS Tour will expand to the West Coast in 2024 in the form of the zMAX CARS Tour Pro Late Model Series West. The season-opening race kicks off at Kevin Harvick's Kern Raceway on March 2nd.

Continuing to focus on building grassroots racing, the new partnership brings together the CARS Tour and Kevin Harvick's Kern Raceway owner and California native Tim Huddleston. With Huddleston's extensive knowledge of West Coast racing and his success of promoting various series and tracks, combined with the CARS Tour ownership group of Kevin Harvick, Dale Earnhardt Jr., Justin Marks and Jeff Burton, the wealth of knowledge of grassroots racing and building local tracks is immeasurable.

The move to add the zMax CARS Tour to the West Coast is the next step in Harvick's return to his roots and continuing his vision for the future of motorsports.

Announced in November 2023, Huddleston acquired Kern County Raceway Park and renamed it Kevin Harvick's Kern Raceway to honor the NASCAR Champion and Bakersfield, California native.

As part of the new partnership, Harvick is working closely with the leadership at the track to ensure the best product for the track, the competitors, and the overall health of motorsports at the grassroots level. The zMax CARS Tour make two stops at the track in 2024, showcasing Harvick's commitment to the West Coast and grassroots racing.

"The West Coast is home for me and the tracks we'll be going to this year with the zMAX CARS Tour Pro Late Model Series West are some of the ones that helped shape the path of my career," Harvick said. "I was fortunate enough to have people help me along the way to make it to the top level of NASCAR, and that is what we want to do with the CARS Tour."

In addition to the newly announced series, the U.S. Legend Cars will follow the same 10-week schedule and accompany the Pro Late Model races as an added feature for each weekend.

PLENTY OF "NEW" IN THE 2024 NORTHWEST LATE MODEL SERIES

SPOKANE — For the Northwest Super Late Models "new" will be one of the key words in 2024.

There's a new race site, and newly sanctioned familiar race and likely a new champion to be crowned all in the 10th season for the group.

The series will race twice at Tri-City Raceway at the Red Mountain Event Center, both opening the season with the apple Cup (April 7) and closing it with the Fall Classic (Oct. 6).

Wenatchee and Hermiston will also host two races. Wenatchee staged the Leonard Evans 150 (April 27) and Neal Newberry 125 (Sept. 14). Hermiston hosts races on June 15 and Sept. 1.

Of the sites for single races, the Montana 200 will be an official point race that takes place July 12-13 at the Mission Valley Super Oval.

Stataline Speedway hosts a 150-lap race on May 18 as the track celebrates its 50th season.

The series visits the Treasure Valley area of Idaho staging the Blue Valor 150 at a new track, the Motorplex at the Mill in Emmett north of Boise, June 29.

The Idaho 208 will take place at Meridian Speedway on Aug. 10.

Defending champion Haeden Plybon is reportedly switching to a new late model series, the zMAX CARS Tour and may not be able to compete in enough NWSLM races to vie for the repeat.

For further information on the series visit: www.nwslms.com.

Income Tax COUNTDOWN

What could be more satisfying than to have your tax return completely organized, filled out, and signed well before the dreaded April 15 deadline? What feels worse than hunting around for missing records at the last minute, being greeted by an angry glare from a frazzled tax preparer on April 13, or even finding out that you owe more taxes than you expected to pay? You can make things easier on yourself and your accountant by taking these simple steps during the year.

JANUARY-FEBRUARY

1. Start keeping records for the current year's expenses.
2. If tax forms don't arrive in the mail, pick them up at a local bank or post office. Or call the IRS at 1-800-424-FORM.
3. Make an appointment with your accountant or tax preparer.
4. If you are preparing your own return, consult a current-year tax guide.

FEBRUARY-MARCH

1. If you have dependents 2 years old or older who don't have Social Security numbers, fill out Form SS-5 at your local Social Security office.
2. If you were exempt from withholding from wages last year, file a new W-4 form with your employer to continue your exemption this year.
3. If you have not received a W-2 form from your employer or 1099 forms from your bank, broker, and so forth, report the oversight to them.
4. Review your payroll records, check stubs, and receipts; list itemized deductions.
5. List your sources of income, including salary, interest, dividends, capital gains, professional fees, and pensions.

MARCH-APRIL

1. Provide your tax preparer with all necessary records and information.
2. Review completed tax forms for errors and omissions.
3. Sign the forms and write your Social Security number on them. Your spouse should sign a joint return (if filing jointly). Make photocopies for your files and keep them for at least three years.
4. Make out checks or pay amounts due, if any.
5. For a 4-month extension, complete Form 4868. You must still pay what you owe. Make out a check or pay an estimated amount by April 15.
6. Consult your accountant about changes in the tax laws, especially deductions, for them coming year. Adjust your spending, investments, and your files accordingly.
