"The Outdoor Insider"

I almost pulled my boat home earlier this week. We have had a good stretch of warm weather. The snow had been moved out of my driveway and there was room for the boat. However, Mother Nature had other plans, so I am still looking for good places to fish from shore.

I wanted to see if the Quincy lakes were still frozen, so I pulled off of Whitetail Road and found that the gate is still closed. Oh well, I am pretty sure that they still have ice on them, and I will check again as we get closer to the March 1st opening of these lakes. I knew that the ice was off of Billy Clapp Lake. I had my shore fishing "go bag" and a couple of rods in my truck and wanted to give it a try. As I drove down onto the sandy shore I saw one other angler had just arrived. He told me that he lives only ten minutes away and had been fishing here almost daily. He showed me some photos of a few of the rainbow he had caught earlier, and they were very impressive. He has been catching some that were 3 to five pounds and had been broken off by larger fish. I had brought my video gear along and did a short video on fishing Billy Clapp in the winter. After I had packed up my video gear I reeled in the two rods that I had cast out earlier. One was baited with Power Bait and the other with a shrimp and marshmallow combo. The shrimp baited the rod had a 15-inch rainbow on it! This week's photo was taken at Billy Clapp last Friday. The video I did is now posted on the Dave Graybill YouTube channel.

Just like every other fisherman out there I am getting tired of winter. Not that there aren't things to do, but wouldn't be nice to be out in a boat and not freeze? I remember in low snow years in the past that I could go up to Fish Lake, near Leavenworth, and fish in the sun on calm waters in March. I wanted to see if the ice was breaking up and maybe going away, so I drove up there the other day. Sorry to report that there is still plenty of ice on the lake. Not enough to

fish on, and no signs of it leaving for a while. The lake is at about 2,000 feet in elevation, so it makes sense. I was very close to bringing my boat home the other day. The ten-day forecast was for temperatures in the 40s. However, things do change, and now I am expecting snow here in Leavenworth the next couple of days. Heck, we just put the snow shovels away. I will still be looking for ice-free water and will let you know if can find any. There are lakes in the Columbia Basin that open March 1st.

Many of you know that I am a big fan of fishing from the shore at Brandts Landing on Rufus Woods Reservoir. I have spent many days over the years

casting from one of the accesses at this Federal Park. If you haven't been to Brandts Landing, you will find this location, about six miles from the boat launch above Chief Joseph Dam, is very fishing friendly. There are several accesses to the shoreline, all with fire pits and some even have picnic tables. There is a vault toilet at the site that is well maintained. The water along the park is shallow, and most anglers use at least a half-ounce egg sinker, rigged to slide, to cast as far as possible to tempt a strike from passing rainbow. Dough baits are by far the most popular bait to toss to cruising trout, but others will use a nightcrawler and marshmallow or marshmallow and shrimp combo. Success can vary, and I have had some terrific days. I have a great contact to find

out how the fishing is, and his most recent report is that fishing is slow. Hopefully that will change with the seasonal plants of triploids by the Colville Tribe.

Mark your calendars for the Central Washington Sportsmen Show. It's coming up on Friday, February 23rd at the Sundome in Yakima. This show has been going on for over 30 years, and I think I've been at 20 of them. There's a few things that I really like about this show. Number one is that it is truly family friendly. They always have several activities that the kids can enjoy. Number two is that you can easily take in the show and visit with the exhibitors. There isn't the crush of the big shows in Puyallup and Portland. Number three is that you can

see some great seminars and meet the presenters and ask questions. I also like the fact that you can pay one entry free and attend all three days of the show. Another reason I enjoy going to this show is that I meet a lot of people that follow my reports, either online or in the newspaper. I am so busy having fun talking to folks that my voice is failing by Sunday afternoon. I will be hanging out with the folks at Bob Feil Motors again, so be sure to stop by and say hello.

We had a long weekend coming up with President's Day last Monday, so I was

thinking about what I would recommend for a fishing trip. If you wanted to put a boat on the water, the trout fishing on Lake Roosevelt has been good. Limits of trout that average 16 inches are possible. Anglers are fishing out of Spring Canyon and Keller and trolling basically kokanee type gear to get their rainbow. Another good place to launch a boat is on Lake Chelan. Anglers are launching out of the State Park or Mill Bay and running up as far as Michell Creek to find the kokanee. There are days that some anglers are even limiting on kokanee, and there are a lot of fish that are measuring 13 to 14 inches. There are a couple of places I would suggest to fish from shore right now. Both the Federal Park at Keller and Spring Canyon can be very good.

## ZMAX CARS TOUR WILL EXPAND TO THE WEST COAST

Mooresville, N.C. – The zMAX CARS Tour will expand to the West Coast in 2024 in the form of the zMAX CARS Tour Pro Late Model Series West. The season-opening race kicks off at Kevin Harvick's Kern Raceway on March 2nd.

Continuing to focus on building grassroots racing, the new partnership brings together the CARS Tour and Kevin Harvick's Kern Raceway owner and California native Tim Huddleston. With Huddleston's extensive knowledge of West Coast racing and his success of promoting various series and tracks, combined with the CARS Tour ownership group of Kevin Harvick, Dale Earnhardt Jr., Justin Marks and Jeff Burton, the wealth of knowledge of grassroots racing and building local tracks is immeasurable.

The move to add the zMAX CARS Tour to the West Coast is the next step in Harvick's return to his roots and continuing his vision for the future of motorsports.

Announced in November 2023, Huddleston acquired Kern County Raceway Park and renamed it Kevin Harvick's Kern Raceway to honor the NASCAR Champion and Bakersfield, California native.

As part of the new partnership, Harvick is working closely with the leadership at the track to ensure the best product for the track, the competitors, and the overall health of motorsports at the grassroots level. The zMax CARS Tour make two stops at the track in 2024, showcasing Harvick's commitment to the West Coast and grassroots racing.

"The West Coast is home for me and the tracks we'll be going to this year with the zMAX CARS Tour Pro Late Model Series West are some of the ones that helped shape the path of my career," Harvick said. "I was fortunate enough to have people help me along the way to make it to the top level of NASCAR, and that is what we want to do with the CARS Tour."

In addition to the newly announced series, the U.S. Legend Cars will follow the same 10-week schedule and accompany the Pro Late Model races as an added feature for each weekend.

Many of today's stock car superstars got their start in the zMAX CARS Tour and it is a primary breeding ground for the racing champions of tomorrow.

### 2024 ZMAX CARS TOUR PRO LATE MODEL SERIES WEST SCHEDULE:

## PLENTY OF "NEW" IN THE 2024 NORTHWEST LATE MODEL SERIES

SPOKANE — For the Northwest Super Late Models "new" will be one of the key words in 2024.

There's a new race site, and newly sanctioned familiar race and likely a new champion to be crowned all in the 10th season for the group.

The series will race twice at Tri-City Raceway at the Red Mountain Event Center, both opening the season with the apple Cup (April 7) and closing it with the Fall Classic (Oct. 6).

Wenatchee and Hermiston will also host two races. Wenatchee staged the Leonard Evans 150 (April 27) and Neal Newberry 125 (Sept. 14). Hermiston hosts races on June 15 and Sept. 1.

Of the sites for single races, the Montana 200 will be an official point race that takes place July 12-13 at the Mission Valley Super Oval.

Staline Speedway hosts a 150-lap race on May 18 as the track celebrates its 50th season.

The series visits the Treasure Valley area of Idaho staging the Blue Valor 150 at a new track, the Motorplex at the Mill in Emmett north of Boise, June 29.

The Idaho 208 will take place at Meridian Speedway on Aug. 10.

Defending champion Haeden Plybon is reportedly switching to a new late model series, the zMAX CARS Tour and may not be able to compete in enough NWSLM races to vie for the repeat.

For further information on the series visit: [www.nwslms.com](http://www.nwslms.com).

# Before Putting Your Home Up For Sale CHECKLIST

THE PROPERTY | SELLER BASICS

Here are a few items to take care of before listing your home. This can make the sale process quicker and easier in the long run.

- CONSIDER A PRE-SALE HOME INSPECTION.**  
An inspector will be able to give you a good indication of the trouble areas that will stand out to potential buyers, and you'll be able to make repairs before open houses & showings begin.
- ORGANIZE AND CLEAN.**  
Pare down clutter & pack up your least-used items, such as large blenders & other kitchen tools, out-of-season clothes, toys, & seasonal items. Store items off-site or in boxes neatly arranged in the garage or basement. Clean the windows, carpets, walls, lighting fixtures, & baseboards to make the house shine.
- GET REPLACEMENT ESTIMATES.**  
Do you have big-ticket items that will need to be replaced soon? Find out how much it will cost to repair an older roof or replace worn carpeting, **even if you don't plan to do so.** The figures will help buyers determine if they can afford the home, and they'll be handy when negotiations begin.
- LOCATE WARRANTIES.**  
Gather up the warranties, guarantees, & user manuals for the furnace, washer/dryer, dishwasher, & any other items that will remain with the house. It may seem like this task can be left until closing, but you don't want lost paperwork or last-minute scrambling to cause the deal to fall through.
- SPRUCE UP THE CURB APPEAL.**  
Walk out to the front of your home, close your eyes, & pretend you're a prospective buyer seeing the property for the first time. As you approach the front door, what is your impression of the property? Do the lawn and bushes look neatly manicured? Is the address clearly visible? What do you see framing the entrance, if anything? Is the walkway free of cracks and impediments?
