"The Outdoor Insider"

I put some miles down last week, looking for good places to fish from shore. As the snow and ice recedes there are more and more opportunities for anglers throughout the region. Warmer temperatures have also encouraged folks to break out the fishing gear to try their luck on the lakes and rivers that are open year round.

You may recall that I recently fished for a very short time at Crescent Bay, which is just down the hill from the town of Coulee Dam. In less than an hour, I had two bites and landed a fat 15 inch rainbow. I wanted to give this spot another try and was able to do that last Tuesday. I wasn't alone this time. There

was a family fishing on the point just below me and two young anglers came and went while I was there. However, none of us had any luck. I noticed that the water was much higher than the last time I fished here, and learned later that it is best fished when Lake Roosevelt has been drawn down a bit. There is a large sand flat off the shore here and the fishing is much better when you can reach the deeper water with a cast. Since it decided to rain on me again I drove out to Seatons Grove. There were four trucks and trailers in the parking area this time, indicating that fishing at the net pens must have improved. It was raining too hard to stick around and fish from the shore.

One of my favorite places to fish from shore in the winter is at the Federal Park at Keller. It's about a 30 minute drive from Coulee Dam and has been worth the trip many times in the past. When I arrived, there was one other angler up the beach from me. I got out all my gear, baited two rods and cast them out. The water was at the highest level I had ever seen in the winter here. The water was just a few feet from the edge of the beach. I heard the telltale splash of a fish on a line and ran up and watched the other angler land a fish. He had two on his stringer already, and they were all 16 to 17 inches. He had arrived a couple

of hours earlier than I. Steve, the other angler, landed another fish, and I confirmed that I was using the same setup and bait that he was. I continued to fish, freshening my baits occasionally, and Steve came down to say he had his limit of five fish now. The last one was about 19 inches. I had three bites but didn't hook a single fish. Just not my day. This week's photo is of Jeff's five fish limit on the stringer.

On my way back from Keller I decided to check out the launch and shoreline at Spring Canyon. I have spent many days fishing from the shore here and wanted to see if I could easily get to my favorite spot. I found the docks at the launch all

County that open on March 1st that are very popular. I wanted folks to know that I have done a series of videos of the lakes in the Quincy Wildlife Area that describe these lakes and what people can expect to catch in them. I did a video of Moses Lake that shows all the boating accesses, and what anglers should find in the vicinity of these launch sites. Another project I did was for Grant County PUD that shows their boating accesses on the Columbia River all the way from below Rock Island Dam to above Priest Rapids Dam. These are great places for anglers access the river to fish for walleye, bass and even salmon. I just posted a video that was taken at Billy Clapp Lake. It shows where anglers fish after ice-off

and how to catch the trout that inhabit the lake from shore. All of these videos are available on the Dave Graybill Channel on YouTube.

It's time to mark your calendars for the annual Trout Fishing Derby on Burke and Quincy lakes. The Quincy Chamber of Commerce has been doing this event for years and has made some changes to make it even more popular. The best change has been to move the date to later in March. It will take place on Friday March 22nd and Saturday March 23rd this year. Too often in years past the derby date has had to

be delayed because the lakes were still frozen. Once again there will be prizes awarded for the longest fish and cumulative weight in both adult and youth categories. There is always a huge pile of prizes, thanks to local sponsors, and you don't need to catch a fish to get a chance to win. Just buy some raffle tickets. Something that is new this year is the Trout Derby Photo Contest. People can vote for their favorite photo through the Quincy Chamber's Facebook page, and the winner will receive a 70-inch flatscreen TV. Get the details about the derby and photo contest by clicking on the Something Fishy logo on the home page of the Fishing Magician website at www.fishingmagician.com. I hope to see you there!

DAMIEN CHINN - RENEGADE RACEWAY

Damien Chinn. Photo courtesy of Damien Chinn

Damien Chinn started drag racing in 2016 with a 302 powered 1974 Mustang II that my dad and I built. Before the start of the 2017 racing season, we swapped the 302 for a stock 460 Ford. Damien won back to back High School championships at Renegade Raceway in 2017 and 2018. He was the Division 6 High School Champion in 2018 at the Summit ET Finals at Firebird Raceway in Idaho racing for Team Renegade.

Chinn's first perfect light medal came in 2018. In 2020, his last year in the Mustang II, Chinn placed 3rd in the Pro ET bracket class at Renegade Raceway and made Race of Champions for Team Renegade, also in Pro bracket. In 2023, Damien raced for Team Qlispe at the Summit ET Finals in a 2007 Mustang.

When not racing or volunteering my time helping at Qlispe Raceway, Chinn is busy building a 414 Cleveland powered dragster that he plans to race in 2024. "I like to waterski, camp, and visit the beach," Chinn wrote in an email.

Junior Chinn. Photo courtesy of Junior Chinn

Junior Chinn started drag racing in 2019 on a 1992 Yamaha VMax. "My first perfect light shined for me that same year," Chinn wrote in an email.

In 2021 he began driving a 460 Ford powered 1974 Mustang II that his son

raced from 2016-2020.

Chinn was busy racing two classes, both four and two wheels. "I made Summit ET Finals for Team Renegade in 2021 with the Mustang II and 2022 with both the Mustang II and my Kawasaki powered drag bike."

In 2023 he raced for Team Qlispe at the Summit ET Finals on a 2007 Yamaha ZX14 drag bike in his first Race of Champions. He was one of eight nominees in 2023 for "This Is Bracket Racing Elite MVP Driver of the Year."

When not racing, Junior can be found me working on his race vehicles and equipment. "I like to play darts, the drums, and dig for razor clams," he added.
