"The Outdoor Insider"

I put some miles down last week, looking for good places to fish from shore. As the snow and ice recedes there are more and more opportunities for anglers throughout the region. Warmer temperatures have also encouraged folks to break out the fishing gear to try their luck on the lakes and rivers that are open year round.

You may recall that I recently fished for a very short time at Crescent Bay, which is just down the hill from the town of Coulee Dam. In less than an hour, I had two bites and landed a fat 15 inch rainbow. I wanted to give this spot another try and was able to do that last Tuesday. I wasn't alone this time. There was a family fishing on the point just below me and two young anglers came and went while I was there. However, none of us had any luck. I noticed that the water was much higher than the last time I fished here, and learned later that it is best fished when Lake Roosevelt has been drawn down a bit. There is a large sand flat off the shore here and the fishing is much better when you can reach the deeper water with a cast. Since it decided to rain on me again I drove out to Seaton's Grove. There were four trucks and trailers in the parking area this time, indicating that fishing at the net pens must have improved. It was raining too hard to stick around and fish from the shore.

One of my favorite places to fish from shore in the winter is at the Federal Park at Keller. It's about a 30 minute drive from Coulee Dam and has been worth the trip many times in the past. When I arrived, there was one other angler up the beach from me. I got out all my gear, baited two rods and cast them out. The water was at the highest level I had ever seen in the winter here. The water was just a few feet from the edge of the beach. I heard the telltale splash of a fish on a line and ran up and watched the other angler land a fish. He had two on his stringer already, and they were all 16 to 17 inches. He had arrived a couple

of hours earlier than I. Steve, the other angler, landed another fish, and I confirmed that I was using the same setup and bait that he was. I continued to fish, freshening my baits occasionally, and Steve came down to say he had his limit of five fish now. The last one was about 19 inches. I had three bites but didn't hook a single fish. Just not my day. This week's photo is of Jeff's five fish limit on the stringer.

On my way back from Keller I decided to check out the launch and shoreline at Spring Canyon. I have spent many days fishing from the shore here and wanted to see if I could easily get to my favorite spot. I found the docks at the launch all

County that open on March 1st that are very popular. I wanted folks to know that I have done a series of videos of the lakes in the Quincy Wildlife Area that describe these lakes and what people can expect to catch in them. I did a video of Moses Lake that shows all the boating accesses, and what anglers should find in the vicinity of these launch sites. Another project I did was for Grant County PUD that shows their boating accesses on the Columbia River all the way from below Rock Island Dam to above Priest Rapids Dam. These are great places for anglers access the river to fish for walleye, bass and even salmon. I just posted a video that was taken at Billy Clapp Lake. It shows where anglers fish after ice-off and how to catch the trout that inhabit the lake from shore. All of these videos are available on the Dave Graybill Channel on YouTube.

It's time to mark your calendars for the annual Trout Fishing Derby on Burke and Quincy lakes. The Quincy Chamber of Commerce has been doing this event for years and has made some changes to make it even more popular. The best change has been to move the date to later in March. It will take place on Friday March 22nd and Saturday March 23rd this year. Too often in years past the derby date has had to

be delayed because the lakes were still frozen. Once again there will be prizes awarded for the longest fish and cumulative weight in both adult and youth categories. There is always a huge pile of prizes, thanks to local sponsors, and you don't need to catch a fish to get a chance to win. Just buy some raffle tickets. Something that is new this year is the Trout Derby Photo Contest. People can vote for their favorite photo through the Quincy Chamber's Facebook page, and the winner will receive a 70-inch flatscreen TV. Get the details about the derby and photo contest by clicking on the Something Fishy logo on the home page of the Fishing Magician website at [www.fishingmagician.com](http://www.fishingmagician.com). I hope to see you there!

the way up, which is weird for this time of year, and I could see all the buoys in the swimming area still floating. I drove over where I could see the area I usually fish from, and it wasn't there. The water was all the way up to the rocks on the shore. It will be a while before I can fish off the bank here. Word is that they are keeping the water up in Lake Roosevelt this year, due to the low snowpack. Of all the places I have fished recently, I consider fishing from the shore at Keller to be the best bet. I did a video when I was there last and I will let everyone know when it is posted.

Soon lakes in our region will start to lose their cap of ice. There are lakes that are open year-round that offer great fishing for trout as soon as the ice clears off. There are a bunch of lakes in Grant

**DAMIEN CHINN - RENEGADE RACEWAY**

Damien Chinn. Photo courtesy of Damien Chinn

Damien Chinn started drag racing in 2016 with a 302 powered 1974 Mustang II that my dad and I built. Before the start of the 2017 racing season, we swapped the 302 for a stock 460 Ford. Damien won back to back High School championships at Renegade Raceway in 2017 and 2018. He was the Division 6 High School Champion in 2018 at the Summit ET Finals at Firebird Raceway in Idaho racing for Team Renegade.

Chinn's first perfect light medal came in 2018. In 2020, his last year in the Mustang II, Chinn placed 3rd in the Pro ET bracket class at Renegade Raceway and made Race of Champions for Team Renegade, also in Pro bracket. In 2023, Damien raced for Team Qlispe at the Summit ET Finals in a 2007 Mustang.

When not racing or volunteering my time helping at Qlispe Raceway, Chinn is busy building a 414 Cleveland powered dragster that he plans to race in 2024. "I like to waterski, camp, and visit the beach," Chinn wrote in an email.

Junior Chinn started drag racing in 2019 on a 1992 Yamaha VMax. "My first perfect light shined for me that same year," Chinn wrote in an email.

In 2021 he began driving a 460 Ford powered 1974 Mustang II that his son

raced from 2016-2020.

Chinn was busy racing two classes, both four and two wheels. "I made Summit ET Finals for Team Renegade in 2021 with the Mustang II and 2022 with both the Mustang II and my Kawasaki powered drag bike."

In 2023 he raced for Team Qlispe at the Summit ET Finals on a 2007 Yamaha ZX14 drag bike in his first Race of Champions. He was one of eight nominees in 2023 for "This Is Bracket Racing Elite MVP Driver of the Year."

When not racing, Junior can be found me working on his race vehicles and equipment. "I like to play darts, the drums, and dig for razor clams," he added.

THE PROPERTY SELLER BASICS

HOW TO Hire a Remodeling Contractor

SHOP AROUND FOR THE RIGHT COMPANY

- Get at least 3 written estimates.
• Ask for and check references. If possible, look at jobs the contractor recently completed.
• Check with your local chamber of commerce or Better Business Bureau for complaints.
• Be sure that the contractor has the necessary licenses and insurance, as well as the ability to obtain permits.
• Ask if the contractor's workers will do the entire job or whether subcontractors will be involved.

READ THE CONTRACT CAREFULLY

- Be sure the contract states exactly what is to be done and how change orders will be handled.
• Check that the contract states when the work will be completed and what recourse you have if it isn't.
• Make sure the contract indemnifies you if work does not meet building codes or regulations.
• Be sure that the contract specifies who will clean up after the job and be responsible for any damage.
• Ensure that the materials meet your specifications.

SEAL THE DEAL

- Remember that you can often cancel a contract within 3 business days of signing it.
• Make a small down payment so you won't lose much if the contractor fails to complete the job.
• Don't make the final payment until you're satisfied with the work.

**How to Spot, Avoid & Report FAKE CHECK SCAMS**

Fake checks might look like business or personal checks, cashier's checks, money orders, or a check delivered electronically. Here's what to know about fake check scams.

In a fake check scam, a person you don't know asks you to deposit a check. It's usually for more than they owe you, and it's sometimes for several thousand dollars. They tell you to send some of the money back to them or to another person. They always have a good story to explain why you can't keep all the money. They might say they need you to cover taxes or fees for a prize, to buy supplies for a job, to send back money they overpaid, or something else. But this is a scam.

**Why Do These Scams Work?**

These scams work because fake checks generally look just like real checks, even to bank employees. They are often printed with the names and addresses of legitimate financial institutions. They may even be real checks written on bank accounts that belong to someone whose identity has been stolen. It can take weeks for a bank to figure out that the check is a fake.

**Fake Checks and Your Bank**

By law, banks have to make deposited funds available quickly, usually within two days. When the funds are made available in your account, the bank may say the check has "cleared," but that doesn't mean it's a good check. Fake checks can take weeks to be discovered and untangled. By that time, the scammer has any money you sent, and you're stuck paying the money back to the bank.

Your best bet: Don't rely on money from a check unless you know and trust the person you're dealing with.

**How To Avoid a Fake Check Scam**

Never use money from a check to send gift cards, money orders, cryptocurrency, or to wire money to anyone who asks you to. Many scammers demand that you buy gift cards and send them the PIN numbers, buy cryptocurrency and transfer it to them, or send money through wire transfer services like Western Union or MoneyGram. Once you do, it's like you've given them cash. It's almost impossible to get it back.

Toss offers that ask you to pay for a prize. If it's free, you shouldn't have to pay to get it. Only scammers will ask you to pay to collect a "free" prize. Don't accept a check for more than the selling price. You can bet it's a scam.

**Report Fraud**

If you think you've been targeted by a fake check scam, report it to:

- 👉 The Federal Trade Commission
- 👉 The U.S. Postal Inspection Service
- 👉 Your State Attorney General

**BUYER BEWARE**

Classified ads are a great way to sell something, find something or hire a contractor to do needed work around your home or business. Sadly, our advertisers cannot always trust the individuals who respond to their ads. It has come to our attention that there are scammers out there who respond to ads with the sole intention of deceiving the advertiser. Typically these scams are actually generated by automated bots. Here are a few things to look out for:

**When selling something:**  
Scammers typically text & ask what your final price is. They will then ask you if you can ship the item. In return, they tell you that they will send a cashier's check with some extra money added in to cover shipping. Do not fall for this. Accepting cash for items is the best bet. For large purchases, meeting at the buyer's financial institution for the payment is encouraged.

**Where to meet:**  
If you are unsure of a buyer or seller, ask them to meet you at the local police station or S.C.O.P.E. office, or a public location such as a grocery store parking lot. People who don't have anything to hide will be agreeable to that type of meeting spot.

**Who to hire:**  
If you are looking for a contractor to fix or build something, make sure they are licensed & bonded. This can be verified on the Washington State Labor & Industries contractor site. Do not pay in advance for any services or materials until you have a signed contract. Many contractors ask for half the money in advance & the remainder when the job is done. It is good to verify that the individual does, indeed, still work for the company they are representing. It is also a good idea to ask for references. Most contractors are happy to pass on names and phone numbers of customers that can verify their work.
