Dave Graybill

"The Outdoor Insider"

The weather is chilly and wet throughout the region, but there are some great fishing opportunities right now. Many lakes opened to fishing on March 1st, and anglers are out after rainbow trout. One of the most popular spots is the Quincy Wildlife Area.

Sunny but chilly and windy weather greeted anglers for the opening of the lakes in the Quincy Wildlife Area on March 1st. I visited several lakes to see how anglers were doing and what size trout they were catching. Many of these lakes are planted with both catchable size trout and fry each year, and I saw people with this year's yearling fish and some carryovers from last season. I ran into Joe Zellinski, who was doing creel checks for the WDFW. He participated in a test fishery two weeks ago and found many of the trout to be 13 and 14 inches and one was a 19-incher that probably weighed 3 pounds. Almost all the anglers I visited with had trout on their stringers at both Burke and Quincy lakes. The same was true at Martha Lake and Caliche. Those who had to wait for the weekend to make their trip to these lakes should have had pretty good fishing. It looked to me to be one of the best opening days I have seen in a few years. I wanted people to know that the video I did on bank fishing at Keller Ferry is now posted on the Dave Graybill YouTube channel. This week's photo is of a typical rainbow caught at Burke Lake on the opener.

When I stopped by Caliche Lake I saw a young father with his two youngsters. It warmed my heart to see this. I was lucky to have a father that took us fishing. Some of my earliest memories are of fishing from the shore at one of the lakes in our region. I remember a chilly morning at Alta Lake fishing with my Dad, Grandfather, and brother. I laugh now when I think of asking for help when I was trying to reel in a 14-inch rainbow. We used to camp at Wapato Point and then rent a boat and fish for trout at Wapato Lake in the evening. We caught some whoppers. One of my favorite photos I took when I was working at Fishing and Hunting News back in the 70s. It was of my little brother Lane struggling to hold up a stringer of trout

and perch we caught at Wapato Lake. The perch were as big as the trout! When my daughter was about four years old, she caught a pike minnow and promptly named it Timmy. We talked her into letting it go so she could visit him next time we were here. What great memories!

Fans of fishing Rufus Woods Reservoir will be pleased to learn about a recent plant of triploid rainbow trout. The Colville Fish and Wildlife Department has announced that they are releasing over 15,000 fish, with an average of weight of 1.5 pounds. The fish were released on Thursday of this last week. Typically, the release sites are at Seatons Grove at the top

end of the reservoir and from the State Park, which is just above Chief Joseph Dam near Bridgeport. This will certainly improve catches for both bank and boat anglers. Those who fish Rufus Woods are reminded that all of the trout released into the reservoir are provided by the Colville Tribe. The Colville Tribe also said that they are now going to release trout into the lakes within the reservation boundaries. Some of the fish being released are at least the size of those going into Rufus Woods and some of them will be larger. Twin Lakes, near Inchelium and Buffalo Lake are a couple of the lakes that allow non-tribal members to fish, and often receive some whopper triploids each spring. Further releases of trout are planned through the months of March and April.

I had a great time in Yakima at the Sportsman Show. I was down there with the guys from Bob Feil Boats and Motors and got to meet some of the folks I see every year at the show. I also met a bunch of new people that are followers of my reports and had some great conversations. I want to thank them for their compliments on what I do. That's what keeps me going. The busiest corner at the show was Lunker Lake, the fishing pond full of trout for kids to catch. It is always fun watching the action and seeing the grins on the faces of these youngsters. Many of them were catching their first fish. I also got to learn about the new fishing boats that have arrived at the Bob Feil Boats and Motors dealership in East Wenatchee. Star Weld is a new line of very family friendly fishing boats, and the pontoon boats from Sylvan always get a lot of attention. Wait until you see the new Phantom from Smoker Craft. Wow. Now is a great time to drop by the dealership as it is full of new aluminum and fiberglass recreational boats.

It's time to mark your calendars for the annual Trout Fishing Derby on Burke and Quincy lakes. The Quincy Chamber of Commerce has been doing this event for years and has made some changes to make it even more popular. The best change has been to move the date to later in March. It will take place on Friday March 22nd and Saturday March 23rd this year. Too often in years past the derby date has had to be delayed because the lakes were still frozen. Once again there will be prizes awarded for the longest fish and cumulative weight in both adult and youth categories. There is always a huge pile of prizes, thanks to local sponsors, and you don't need to catch a fish to get a chance to win. Just buy some raffle tickets. Something that is new this year is the Trout Derby Photo Contest. People can vote for their favorite photo through the Quincy Chamber's Facebook page, and the winner will receive a 70 inch flatscreen TV. Get the details about the derby and photo contest by clicking on the Something Fishy logo on the home page of the Fishing Magician website at www.FishingMagician.com. I hope to see you there!

STARTING TOMATOES

If you grow tomatoes from seed, now is the time to start them indoors if you want big, juicy tomatoes in the summer.

ORNAMENTAL GRASSES

Now is the time to cut back your ornamental grasses to avoid cutting off the new growth tips. Cut back to about 6 inches. Don't cut fescues, but clean them up by running your hands through the plant and removing the old plant material.

"Going fast is your job...Telling people about it is ours...!"

Thanks to the Exchange for helping continue the four-decade tradition of delivering weekly motorsports news to the Inland Northwest!

NINE RACES IN 2024 AT NORTHPORT INTERNATIONAL

Dirt track racing returns again in 2024 for one of the region's oldest race tracks at Northport, Wash.

Promoter Cory Bell has released a schedule that includes nine points races plus a Father's Day weekend mud bog.

The track, located across the Columbia River bridge on the way to Canada off State Route 25, is situated in a picturesque natural bowl. It opened in 1953 and has operated for all but a few seasons since.

If some old-fashioned dirt track competition is your game, then Northport's 3/8's mile clay surface is a nearby place to soak it up with racing in Modifieds, Street Stocks, Fever 4 and Hornets according to Racingin.com. NIR also runs go kart classes.

Bell said he anticipates at least two 2023 champions to return to attempt to defend their titles. And it ought to be interesting considering the family ties involved.

"I'm thinking Dan Watkins' boy Daniel is going to take it from him in the modified class," Bell wrote in Facebook Messenger,

adding that "Richard Davies will try to take the street stock title from his brother Gordon."

While hotel accommodations are limited in the vicinity of the track there is camping onsite with no hook ups. Racingin.com says Upper Columbia RV Park & Campground is another option.

NORTHPORT 2024 SCHEDULE:

- April 20 Work day
- May 4 Opening day
- May 18 Regular racing
- June 15 Mud bogs
- June 16 Regular racing
- July 9 Regular racing
- Sept. 7 Regular racing
- Sept. 8 Regular racing
- Sept. 21 Regular racing
- Oct. 5 Regular racing
- Oct. 19 Season championships

Racing starts at noon

APPLE CUP OPENS NWSLM SEASON APRIL 7 From nwslm.com media

Spokane, WA – As the Northwest Super Late Model Series presented by RaceCals approaches its season opening event on April 7th, we remember the former winners of the prestigious "Apple Cup".

Tri-City Raceway at RMEC will host the \$10,000-to-win 55th annual event for the third consecutive season. This after Yakima Speedway had hosted the previous 52 editions.

The all-time winningest driver of the historic event is Don Dowdy.

Dowdy was a seven-time winner of the "Apple Cup" at Yakima. He was the winner of four straight from 1974 to 1977. He then went on a three-race win streak from 1979 to 1981, making it seven wins in eight events. Dowdy was a multi-time track champion at the now defunct 1/2-mile and was known as the "Greatest Yakima Speedway Driver of

All-Time".

He began his racing career in 1961, just five years after the track was opened. He was also a multi-time NASCAR Northwest champion.

The annual "Apple Cup" will open the 2024 10-race campaign for the NWSLMs.
