The weather is chilly and wet throughout the region, but there are some great fishing opportunities right now. Many lakes opened to fishing on March 1st, and anglers are out after rainbow trout. One of the most popular spots is the Quincy Wildlife Area.

Sunny but chilly and windy weather greeted anglers for the opening of the lakes in the Quincy Wildlife Area on March 1st. I visited several lakes to see how anglers were doing and what size trout they were catching. Many of these lakes are planted with both catchable size trout and fry each year, and I saw people with this year's yearling fish and some carryovers from last season. I ran into Joe Zellinski, who was doing creel checks for the WDFW. He participated in a test fishery two weeks ago and found many of the trout to be 13 and 14 inches and one was a 19-incher that probably weighed 3 pounds. Almost all the anglers I visited with had trout on their stringers at both Burke and Quincy lakes. The same was true at Martha Lake and Caliche. Those who had to wait for the weekend to make their trip to these lakes should have had pretty good fishing. It looked to me to be one of the best opening days I have seen in a few years. I wanted people to know that the video I did on bank fishing at Keller Ferry is now posted on the Dave Graybill YouTube channel. This week's photo is of a typical rainbow caught at Burke Lake on the opener.

When I stopped by Caliche Lake I saw a young father with his two youngsters. It warmed my heart to see this. I was lucky to have a father that took us fishing. Some of my earliest memories are of fishing from the shore at one of the lakes in our region. I remember a chilly morning at Alta Lake fishing with my Dad, Grandfather, and brother. I laugh now when I think of asking for help when I was trying to reel in a 14-inch rainbow. We used to camp at Wapato Point and then rent a boat and fish for trout at Wapato Lake in the evening. We caught some whoppers. One of my favorite photos I took when I was working at Fishing and Hunting News back in the 70s. It was of my little brother Lane struggling to hold up a stringer of trout

and perch we caught at Wapato Lake. The perch were as big as the trout! When my daughter was about four years old, she caught a pike minnow and promptly named it Timmy. We talked her into letting it go so she could visit him next time we were here. What great memories!

Fans of fishing Rufus Woods Reservoir will be pleased to learn about a recent plant of triploid rainbow trout. The Colville Fish and Wildlife Department has announced that they are releasing over 15,000 fish, with an average of weight of 1.5 pounds. The fish were released on Thursday of this last week. Typically, the release sites are at Seatons Grove at the top

end of the reservoir and from the State Park, which is just above Chief Joseph Dam near Bridgeport. This will certainly improve catches for both bank and boat anglers. Those who fish Rufus Woods are reminded that all of the trout released into the reservoir are provided by the Colville Tribe. The Colville Tribe also said that they are now going to release trout into the lakes within the reservation boundaries. Some of the fish being released are at least the size of those going into Rufus Woods and some of them will be larger. Twin Lakes, near Inche-lium and Buffalo Lake are a couple of the lakes that allow non-tribal members to fish, and often receive some whopper triploids each spring. Further releases of trout are planned through the months of March and April.

I had a great time in Yakima at the Sportsman Show. I was down there with the guys from Bob Feil Boats and Motors and got to meet some of the folks I see every year at the show. I also met a bunch of new people that are followers of my reports and had some great conversations. I want to thank them for their compliments on what I do. That's what keeps me going. The busiest corner at the show was Lunker Lake, the fishing pond full of trout for kids to catch. It is always fun watching the action and seeing the grins on the faces of these youngsters. Many of them were catching their first fish. I also got to learn about the new fishing boats that have arrived at the Bob Feil Boats and Motors dealership in East Wenatchee. Star Weld is a new line of very family friendly fishing boats, and the pontoon boats from Sylvan always get a lot of attention. Wait until you see the new Phantom from Smoker Craft. Wow. Now is a great time to drop by the dealership as it is full of new aluminum and fiberglass recreational boats.

It's time to mark your calendars for the annual Trout Fishing Derby on Burke and Quincy lakes. The Quincy Chamber of Commerce has been doing this event for years and has made some changes to make it even more popular. The best change has been to move the date to later in March. It will take place on Friday March 22nd and Saturday March 23rd this year. Too often in years past the derby date has had to be delayed because the lakes were still frozen. Once again there will be prizes awarded for the longest fish and cumulative weight in both adult and youth categories. There is always a huge pile of prizes, thanks to local sponsors, and you don't need to catch a fish to get a chance to win. Just buy some raffle tickets. Something that is new this year is the Trout Derby Photo Contest. People can vote for their favorite photo through the Quincy Chamber's Facebook page, and the winner will receive a 70 inch flatscreen TV. Get the details about the derby and photo contest by clicking on the Something Fishy logo on the home page of the Fishing Magician website at www.FishingMagician.com. I hope to see you there!

WEEKLY Horoscopes for March 7-13

ARIES – Mar 21/Apr 20
Aries, if you notice you have been running into obstacles as you work to achieve your goals, you may want to step back and try to figure out another course of action.

TAURUS – Apr 21/May 21
Taurus, an offer that notes your efforts and achievements comes your way. Do not let this immediately go to your head, but enjoy the fruits of your labors.

GEMINI – May 22/Jun 21
Lately your willpower has been weak, Gemini. If diet plans are getting sidelined by your inability to stay on track, you may want to enlist a buddy to keep you motivated.

CANCER – Jun 22/Jul 22
Cancer, take a break when you can because there is soon to be a whirlwind of activity coming in your direction. Enjoy down time while it is still available to you.

LEO – Jul 23/Aug 23
Leo, exercise caution so that your actions are not misinterpreted. You do not want others thinking you are doing things for the wrong reasons. Try to lighten up and be positive this week.

VIRGO – Aug 24/Sept 22
This week you could find yourself being the center of attention at a gathering with friends or family, Virgo. Use the opportunity to get your thoughts out there and heard.

LIBRA – Sept 23/Oct 23
Libra, you will need to pick a course and stick with it, especially over the next few days. There is a lot of temptation out there but if you don't commit you'll never get things done.

SCORPIO – Oct 24/Nov 22
Arguments that have been slowly building up may come to a head this week, Scorpio. Your best bet is to stay out of the fray by keeping your distance and avoiding commentary.

SAGITTARIUS – Nov 23/Dec 21
Sagittarius, it is possible that someone new you will meet this week can become a close friend who sticks with you through thick and thin. Look for this person in the days to come.

CAPRICORN – Dec 22/Jan 20
Capricorn, now might be a time to figure out how to reduce some stress, especially if you find that people are avoiding you as of late. A change in attitude is all it takes.

AQUARIUS – Jan 21/Feb 18
You might be ready to delve into the next chapter of a relationship, Aquarius. Figure out what means the most to you and move those priorities to the forefront.

PISCES – Feb 19/Mar 20
Inspiration comes your way this week, Pisces. You will have plenty of time to do anything you want to put your mind to. Start making that running list of ideas.

NINE RACES IN 2024 AT NORTHPORT INTERNATIONAL

Dirt track racing returns again in 2024 for one of the region's oldest race tracks at Northport, Wash.

Promoter Cory Bell has released a schedule that includes nine points races plus a Father's Day weekend mud bog.

The track, located across the Columbia River bridge on the way to Canada off State Route 25, is situated in a picturesque natural bowl. It opened in 1953 and has operated for all but a few seasons since.

If some old-fashioned dirt track competition is your game, then Northport's 3/8's mile clay surface is a nearby place to soak it up with racing in Modifieds, Street Stocks, Fever 4 and Hornets according to Racingin.com. NIR also runs go kart classes.

Bell said he anticipates at least two 2023 champions to return to attempt to defend their titles. And it ought to be interesting considering the family ties involved.

"I'm thinking Dan Watkins' boy Daniel is going to take it from him in the modified class," Bell wrote in Facebook Messenger,

adding that "Richard Davies will try to take the street stock title from his brother Gordon."

While hotel accommodations are limited in the vicinity of the track there is camping onsite with no hook ups. Racingin.com says Upper Columbia RV Park & Campground is another option.

NORTHPORT 2024 SCHEDULE:

- April 20 Work day
- May 4 Opening day
- May 18 Regular racing
- June 15 Mud bogs
- June 16 Regular racing
- July 9 Regular racing
- Sept. 7 Regular racing
- Sept. 8 Regular racing
- Sept. 21 Regular racing
- Oct. 5 Regular racing
- Oct. 19 Season championships

*Racing starts at noon

APPLE CUP OPENS NWSLM SEASON APRIL 7 From nwslm.com media

Spokane, WA – As the Northwest Super Late Model Series presented by RaceCals approaches its season opening event on April 7th, we remember the former winners of the prestigious "Apple Cup".

Tri-City Raceway at RMEC will host the \$10,000-to-win 55th annual event for the third consecutive season. This after Yakima Speedway had hosted the previous 52 editions.

The all-time winningest driver of the historic event is Don Dowdy.

Dowdy was a seven-time winner of the "Apple Cup" at Yakima. He was the winner of four straight from 1974 to 1977. He then went on a three-race win streak from 1979 to 1981, making it seven wins in eight events. Dowdy was a multi-time track champion at the now defunct 1/2-mile and was known as the "Greatest Yakima Speedway Driver of

All-Time". He began his racing career in 1961, just five years after the track was opened. He was also a multi-time NASCAR Northwest champion.

The annual "Apple Cup" will open the 2024 10-race campaign for the NWSLMs.

Income Tax COUNTDOWN

What could be more satisfying than to have your tax return completely organized, filled out, and signed well before the dreaded April 15 deadline? What feels worse than hunting around for missing records at the last minute, being greeted by an angry glare from a frazzled tax preparer on April 13, or even finding out that you owe more taxes than you expected to pay? You can make things easier on yourself and your accountant by taking these simple steps during the year.

JANUARY-FEBRUARY

1. Start keeping records for the current year's expenses.
2. If tax forms don't arrive in the mail, pick them up at a local bank or post office. Or call the IRS at 1-800-424-FORM.
3. Make an appointment with your accountant or tax preparer.
4. If you are preparing your own return, consult a current-year tax guide.

FEBRUARY-MARCH

1. If you have dependents 2 years old or older who don't have Social Security numbers, fill out Form SS-5 at your local Social Security office.
2. If you were exempt from withholding from wages last year, file a new W-4 form with your employer to continue your exemption this year.
3. If you have not received a W-2 form from your employer or 1099 forms from your bank, broker, and so forth, report the oversight to them.
4. Review your payroll records, check stubs, and receipts; list itemized deductions.
5. List your sources of income, including salary, interest, dividends, capital gains, professional fees, and pensions.

MARCH-APRIL

1. Provide your tax preparer with all necessary records and information.
2. Review completed tax forms for errors and omissions.
3. Sign the forms and write your Social Security number on them. Your spouse should sign a joint return (if filing jointly). Make photocopies for your files and keep them for at least three years.
4. Make out checks or pay amounts due, if any.
5. For a 4-month extension, complete Form 4868. You must still pay what you owe. Make out a check or pay an estimated amount by April 15.
6. Consult your accountant about changes in the tax laws, especially deductions, for them coming year. Adjust your spending, investments, and your files accordingly.

Seller Basics | Worksheet

CALCULATE CAPITAL GAINS

When you sell a stock, you owe taxes on the difference between what you paid for the stock and how much you got for the sale. The same holds true in home sales, but there are other considerations.

How to Calculate Gain

Your home's original sales price when you bought it (not what you brought to closing).	
Additional costs you paid toward the original purchase (include transfer fees, attorney fees, and inspections, but not points you paid on your mortgage).	+
Cost of improvements you've made (include room additions, deck, etc. Improvements do not include repairing or replacing existing items).	+
Add the above items to get your adjusted cost basis :	=
The proceeds from selling your home (the amount of money you realized from the sale, less selling expenses, such as brokerage commissions, inspection costs, legal fees, title costs, money you spent to fix up your home to prepare it for sale, and so on.)	
Minus the adjusted cost basis figure from above.	-
Your capital gain:	=

A Special Real Estate Exemption for Capital Gains

Up to \$250,000 in capital gains (\$500,000 for a married couple) on the home sale is exempt from taxation if you meet the following criteria: (1) You owned and lived in the home as your principal residence for two out of the last five years; and (2) you have not sold or exchanged another home during the two years preceding the sale. You may qualify for a reduced exclusion if you otherwise qualify, but are short of, the two-out-of-the-last-five-years requirement if you meet what the tax law calls "unforeseen circumstances," such as job loss, divorce, or family medical emergency.
