*Dave Graybill*

"The Outdoor Insider"

I love this time of year. More and more anglers are getting out on the water, and there are some great events coming up that the whole family can enjoy. Trout fishing can be excellent in the early spring on the lakes that are open year round or opened on March 1st. Even the walleye and bass are waking up on the big reservoirs in the region.

Interest in trout fishing is really ramping up. Although the general lowland lake opener isn't until the fourth Saturday of this month, anglers are already wetting their lines. I traveled to the Tri-Cities recently and saw the shores of several of the I-82 Ponds lined with anglers. These ponds receive generous plants of catchable trout in the early spring. Both Rotary Pond and Tims Pond are also loaded with rainbow trout. Closer to home here in Leavenworth, there are people fishing from the dock and out in boats on Fish Lake, near Lake Wenatchee. Close to Lake Chelan, Roses Lake anglers always get an early start on the trout fishing season, as the lake is planted with 20,000 catchable rainbow every year in the fall. In Douglas County, the lakes around the town of Rock Island are open year round and are loaded with rainbow. Burke and Quincy lakes, which opened on the first of March continue to provide good catches, with the occasional whopper that was planted in the lakes prior to the Trout Derby that was held in late March. There are several other lakes that opened on March 1st in the region that should offer good fishing for carryover trout.

I like to look at last year's planting reports to see what year-round lakes would be good in the spring, and when they are scheduled to be planted for the season. I get a good idea about the abundance of fish that are in some of these lakes. In some cases, the opportunity to catch the biggest fish of the season is prior to the plants of catchable rainbow. If you go to the WDFW website and go to the Fishing and Shellfish page, you can find the "Fishing and Stocking Reports". You can download the stocking schedules with the number of fish to be planted in lakes by county. They recently put up the schedule for 2024.

I know some of you have seen me on the water the past two seasons, driving a 20 foot Smoker Craft Phantom. Thanks to Bob Feil Boats and Motors, I have been able to visit the lakes, reservoirs and rivers in our region and give you the reports on the fishing. Well, the new Smoker Craft that I will be driving has arrived and is being rigged. That means the one I have been using is available for sale. The boat comes with a Mercury 150 and a 9.9 kicker with electric start and power tilt. On the bow is a 36-volt Minn Kota Ultera with 112 pounds of thrust. This is the model that self-deploys and stows by

pants head out to catch bass, walleye, whitefish or trout to be entered into the derby. Fishing continues on Sunday and concludes with a weigh in when winners for catches made on both Saturday and Sunday are awarded their prizes. The aim of the derby is to get families involved in fishing, and the derby is a fun way to do it. To learn more about the Banks Lake Triple Fish Challenge, just Google Real Recreation and check out their website. You can even register for the event on the site. I hope to see you there!

I recently posted a video that is intended to help anglers who plan to fish the Triple Fish Challenge. Austin Moser, Nic Alexander and I fished for walleye, bass and trout and were successful in catching all three species. In the video we describe the tackle and techniques we used. You can find the video on the Dave Graybill YouTube Channel or copy and paste this link into your browser: [YouTube/SyrWSX-SlhFM](https://www.youtube.com/channel/UCsX-SlhFM). This week's photo was taken while shooting the video.

remote, and you can drive the boat with it remotely as well. It also has an onboard charger. There are two electric Scotty 1106 downriggers on the boat. It has a Garmin fish finder at the helm. It also comes with a full cover with side curtains and back curtains, that allows you to enclose the cabin in cold or wet weather. It comes on a dual axel trailer. The boat is priced at thousands of dollars below what a new one would cost. Better call soon. It won't be there long!

I love fishing Banks Lake. Not only is it one of the most scenic places to fish in Washington, but it also has terrific fishing for a variety of species. If you haven't tried Banks you may want to plan a trip on April 12 through the 14th. That's when the annual Reel Recreation Banks Lake Triple Fish Challenge fishing derby is scheduled. This is a very family friendly derby with special emphasis on making sure the youngsters have a great time. On Friday, there's a special "pond" set up and Pacific Seafoods loads it up with rainbow trout for the kids to catch. On Saturday partici-

## HENDRICK'S HISTORIC TOP 3 SWEEP

MARTINSVILLE, Virginia — Hendrick Motorsports driver William Byron won the Daytona 500 back in February but on April 7 helped engineer success of a different nature for his car owner who is now in his 40th NASCAR Cup season.

With victory in the "Cook Out 400" — his third win of the season — Byron completed the first-ever top-three sweep in the NASCAR Cup Series at Martinsville to win the coveted clock trophy.

Teammates Kyle Larson and Chase Elliott finished behind Byron in NASCAR Overtime on the half-mile.

### QLISPE RACEWAY CHASSIS INSPECTION IS APRIL 20

SPOKANE — In an effort to make drag racing as safe as it can be, area race tracks schedule years chassis inspections.

Walla Walla Drag Strip has already had theirs last week but Qlispe Raceway — formerly Spokane County Raceway — has a session scheduled for Saturday, April 20. It comes in advance of Qlispe's season opener, April 26.

"The process is we set the date for the national certified inspector to come and inspect roll cages," Operations Manager Ben Zimmerman wrote in an email.

They check welds thickness of the tubing, correct tie down points, correct placement of secure points, etc. "I honestly don't know exactly how he checks them," Zimmerman added.

There are different levels of certification also for different classes and speed of the car. Each roll cage needs to be re-certified every few years.

"Depending on the class you run in if you don't have an up-to-date certification we cannot let you run your car," Zimmerman cautioned. "Insurance regulations and since we are an NHRA track their rules dictate that we follow their rules for certification," he said.

Zimmerman also said, "I should add that the car owner pays the inspector directly. We are just a place for them to do it."

"Chassis cert is \$170 and is good for 3 years," according to NHRA Division 6 director Mike Eames.

### ALL THE "APPLES" GO TO GARRETT EVANS — AGAIN!

WEST RICHLAND, Wash. — The 55th edition of the Apple Cup, the Northwest's oldest late model stock car race, had a most appropriate winner April 7 at Tri City Raceway at the RMEC.

Garrett Evans, the 68-year-old icon of regional late model racing, captured the lead in the "Ted Pollock 125" on the half-mile tri-oval on lap 80 of 125 in the feature race named for the former owner of Yakima Speedway where the race began.

Evans finished ahead 3.2 seconds ahead of youngster Kasey Kleyn to score the win with Kole Raz, Kyle Tellstrom and Bj Tidrick in the top-five in the 31-car field. All were the only ones to finish all 125 laps.

Evans collected \$10,000 first-place money and his sixth Apple Cup win which kicked off the 2024 Northwest Super Late Model season. The East Wenatchee resident is a four-time NWSLM champion and now has 10 series victories.

Running his 31st Apple Cup — the first coming in 1977 — Evans led the race at three different junctures, laps 1-17, 43-77 and then at the end. He found himself up near the top of the leaderboard and out of a mele when a 10-car accident took place on lap 78.

All drivers were OK following the wreck, the same could not be said for their cars of course.

Tellstrom, the defending Apple Cup champ was fastest qualifier with a lap of 17.811 seconds. He was the only other driver to the lead the race, doing so from laps 18-42 and 78-79.

Finishes for other previous Apple Cup winners included (2005/2008) BJ Tidrick (5th) and (2022) Preston Peltier (10th).

### OTHER APPLE CUP CLASS WINNERS

HOBBY STOCK	MINISTOCKS
1. Rich Peters	1. Colton Schultz
2. Tyler Huffines	2. Zander Peters
3. Travis Mckinney	3. Mike Savage

Garrett Evans and crew celebrate the team's sixth Apple Cup win April 7 at Tri City Raceway in the 55th edition of the race. TCR Photo

### FORCE SCORES FIRST WIN IN TWO YEARS

PHOENIX, Arizona — Funny Car legend, 73-year-old John Force, picked up his first victory in two years, powering past Matt Hagan of Tony Stewart Racing to win the postponed Lucas Oil NHRA Winternationals, which was completed on April 6 in front of a sellout crowd at Firebird Motorsports Park in Phoenix. Justin Ashley (Top Fuel) and Dallas Glenn (Pro Stock) also won the postponed Pomona race.
